

The illustration depicts a large Spinosaurus and its cub in a prehistoric setting. The adult dinosaur is a light tan color with large, irregular reddish-brown spots and a prominent row of dark, pointed spines along its back. Its long tail also features alternating bands of light and dark. The cub is smaller, with a similar pattern of spots and stripes. They are standing on a sandy ground with some sparse green plants and a small tree in the background. The sky is a pale yellow-green. The text is overlaid on the top left of the image.
