 Willy Jeanne Louis De Smedt, 2023-11-22 Is it still possible to write something new and valuable about the Revelation The
 subject of Revelation has always been an intriguing one for both believers and non believers who for centuries have devoted
 themselves to studying and examining it Consequently many scholars have shared their view about it but almost all of them
 appear to be in contrast with one another Indeed never in time existed a continuous interpretation as every reader
 approaches the text from a distinct perspective Nonetheless it has always been evident that the key to Revelations lies within
 the pages of the Holy Scriptures With this notion in mind The Book For Our Time a translation of the original manuscript
