**Loss and Grief Recovery** Joyce Ashton, Dennis Ashton, 2019-01-22 The grief reaction is often similar for many diverse circumstances and situations This book focuses heavily on caring for children with disabilities chronic or terminal illness dealing with the loss and the recovery process *Living With Grief* Kenneth J. Doka, 2014-01-14 First published in 1996 This book was produced as a companion to the Hospice Foundation of America's third annual teleconference The Foundation begun in 1982 is a nonprofit organization dedicated to providing leadership in the development of hospice and its philosophy of care for terminally ill people The Foundation conducts educational programs related to hospice sponsors research on ethical questions as well as the economics of health care at the end of life and serves as a philanthropic presence within the national hospice community Close to 90 percent of hospices in the United States reach beyond their own patients and families to become in a variety of ways a community resource on grief and bereavement That is part of the hospice mission and an important service which the Hospice Foundation of America encourages and tries to support Our annual teleconference is a major part of our effort and it like all of our projects is largely underwritten by contributions from individuals The Hospice Foundation of America is a member of the Combined Federal Campaign through Health Charities of Americas The Hospice Foundation of America is a member of the Combined Federal Campaign through Health Charities of America **Divorce and the Special Needs Child** Margaret Pegi Price, 2011-01-15 This book takes a comprehensive look at every aspect of the legal divorce process and addresses the legal issues that divorcing parents of children with special needs face It guides parents through the initial hurdles of choosing the right lawyer for their case and explains exactly how to work with them to achieve the best possible outcome *Death 101* Sandra Helene Straub, 2016-12-05 Human beings experience many losses in a lifetime but the death of a loved one is among the most traumatic While grieving is a natural part of life it still challenges our daily existence The purpose of *Death 101 A Workbook for Educating and Healing* 2nd edition is to provide an understanding of dying death and bereavement that will assist individuals to cope better with and understand their own death and the death of others It enables us to examine cultural attitudes and assumptions about dying and death *Death 101* 2nd edition introduces the dying process grief work and ethical and legal issues while providing personal insight and sensitivity The workbook is meant as a supplement to textbooks on dying and death to accompany the academic material necessary to increase our knowledge about death education At the same time it is intended to be an independent method of working through loss a personal guide for the journey through grief *Death 101* 2nd edition includes activities that may be used in part or in whole sequentially or at random by individuals or a group Different professionals including counselors teachers clergy medical personnel and caregivers may utilize these activities The therapeutic exercises in *Death 101* 2nd edition will help the lay reader cope effectively with loss and death and allow a more effective life when faced with grief Scattered throughout the workbook are stories poems and comments from others who have traveled through the grieving

process     **Fading away** Betty Davies PhD.,2020-03-26 This book comes out of an in depth qualitative study of the experiences of twenty three families in which one parent was dying of cancer The study attempted to better understand the impact of terminal illness on the entire family system and sought to develop a theoretical framework that would guide the assessment of and services to such families As a result of interviews with patients spouses and their adult children over three phases of the study the process of fading away was identified and conceptualized in terms of various phases which contributed to this process The book is not a research report but rather presents more generally the ideas that developed from the study with two purposes to increase the reader s understanding of particular experiences that families encounter when dealing with terminal illness specifically cancer The intended readership also includes families themselves to propose guidelines for care to be considered by practitioners working with such families     **Crisis Ministry** Daniel G. Bagby,2002 Covers more than 25 pastoral care crises arranged from A Z Abortion to Suicide     **Grandparenthood** Dr. Ruth Westheimer,Dr. Steven Kaplan,2018-10-24 For years Ruth Westheimer known to millions as Dr Ruth has been counseling Americans on how to foster and maintain our most intimate relationships Now she turns her attention to the role of the grandparent in this comprehensive guide that will help men and women of all ages and backgrounds develop a more rewarding bond with their children s children In the next decade more people than ever before will find themselves in the role of grandparent And in this age of non traditional families day care challenges and decreasing sexual stereotypes this role has never been more critical Employing the characteristic blend of expertise sound advice and encouragement that has made her one of today s most trusted dispensers of practical wisdom Dr Westheimer shows grandparents how to take advantage of their unique position to help enrich their own lives as well as the lives of their grandchildren s and not feel overwhelmed in the process Covering a host of general topics including how to establish a relationship managing visits suggestions for new and unusual activities and giving wisely Dr Westheimer also addresses the increasingly common situations of divorce non traditional and multi cultural families and what happens when the grandparent becomes the parent She also pays special tribute to grandfathers a largely neglected but increasingly important figure in every child s life As Dr Westheimer points out being a grandparent involves not just one but a series of relationships with your grandchildren children spouse and in laws each with its own complexities Here she speaks to grandparents of all ages and situations offering sympathetic advice for those uncomfortable with their new role as well as for those who welcome every opportunity for involvement in their grandchildren s lives Written with the assistance of Dr Steven Kaplan Grandparenthood is the first guide to grandparenting that offers a parent s perspective as well an important consideration in achieving a balanced and harmonious relationship between generations Finally Dr Westheimer includes a lengthy resource section listing books organizations and websites that offer further information on any number of topics The perfect gift for a first time grandparent as well as for the experienced pro who is looking for a useful reference guide Grandparenthood will make readers feel more relaxed and secure in this
