Lost Between The Cracks Poems From The Neutral Zone:

Lost Between the Cracks ,1996-03 **Books in Print** ,1994 Subject Guide to Books in Print ,1991 **The Poems of Lincoln Kirstein** Lincoln Kirstein,1987 The Cracks That Held B.H. Newton,2024-08-14 July 1976 Instead of celebrating a bicentennial the former United States is on the verge of reuniting 100 years after a protracted Civil War that neither side seemed able nor willing to win Along the heavily patrolled border between The Northern and The Southern citizens of both sides are lined up waiting for the wall to fall so they can move freely and seek a new life within one nation A nation now stripped of its shared identity technology and culture bereft of soul But can a fledgling government succeed in bringing it all back together or will the shadowy forces of dissention reclaim the cracks that held B H Newton s THE CRACKS THAT HELD IN THE LAST STALL OF BENNY S BORDER PETROL is a thought provoking mystical epic set in an alternate past Letters to a Québécois Friend Philip Resnick,Daniel Latouche,1990-01-01 Resnick a leading Canadian nationalist argues that English Canadian attitudes toward Quebec have changed fundamentally since the November 1988 election Quebec has become too selfish he says and English Canada feels betrayed by Quebec s refusal either to recognize or take seriously the desires of the rest of the country He suggests that Quebec reconsider the social values it once supported values which are in opposition to the market oriented Canada US Free Trade Agreement Resnick argues that this agreement will only weaken the Canadian state as would the Meech Lake Accord Canada s move toward the right politically and economically is for Resnick exacerbated by Quebec s stubborn self interest He argues that the consequences of moving to the right such as we have seen in the US and Great Britain should concern both English Canada and Quebec only by working together can Canada as a whole begin to formulate more humane and compelling alternatives for the coming decade Daniel Latouche makes it quite clear in his reply that the Qu b cois are tired of having to justify themselves their distinctiveness and their support of Free Trade While English Canadians may think they have been betrayed by Quebec he says it is only because they have not looked at the issues from a Qu b cois perspective When vying for its share of political power says Latouche Quebec is only playing by the rules it has learnt from English Canada And Free Trade he points out was an initiative originating in Ontario and the West Latouche asserts that Quebec s response to the Supreme Court ruling on Bill 101 was a legitimate use of the Canadian constitution and asks whether it is because it was Quebec that made use of this clause that it was condemned The Supreme Court ruling Latouche argues protected commercial interests thus accelerating the judicial integration of Canada within the American legal culture All Quebec did was make use of an escape clause to protect itself Resnick suggests that since the Quiet Revolution there has been an increased responsiveness on the part of English Canadians to Quebec and its demands But Latouche has no time for this argument Do you mean that every time we manage to have a share of what all Canadians are entitled to these are mere bones you are throwing to us My friend we are not dogs eating at the table because of your generosity We are citizens and tax payers Letters to a Qu b cois Friend will not put an end

to the debates By bringing into the open the feelings of two leading nationalists whose nations are not the same this dialogue will ensure that the debates continue with increased fervour The Saturday Review of Politics, Literature, Science and Art ,1927 **The Saturday Review of Politics, Literature, Science, Art, and Finance** ,1927 **Reading London in Wartime** William Cederwell,2017-11-06 Reading London in Wartime Blitz the People and Propaganda in 1940s Literature presents an expansive variety of writers and genres including non fiction and film approaches to build a comprehensive social picture of the atmosphere during wartime London From blitz and austerity to the nagging insistency of propaganda this volume examines the representation of London in wartime and early post war literature through each writer s unique perspective on the pressures of 1940s city life Exploring the use of London imagery this book considers how literature redirects attention to individual subjective experience at a time of enforced co operation uniformity and community Unlike government information films and news broadcasts which often used London to prop up prevailing clich s and stereotypes and encouraged patriotic support for the war literature had the freedom to express more recalcitrant truths London writing of the 1940s was not a literature of opposition or dissent but in offering more nuanced depictions of the period it was a counterweight to propaganda and the general war temperament In writing the city becomes a more complex place no longer the easy symbol of defiance and stoicism of the shared sacrifice of ration book and war work The Graphic ,1922
