**Serials and Series** Buck Rainey,2015-06-08 While many fans remember The Lone Ranger Ace Drummond and others fewer focus on the facts that serials had their roots in silent film and that many foreign studios also produced serials though few made it to the United States The 471 serials and 100 series continuing productions without the cliffhanger endings from the United States and 136 serials and 37 series from other countries are included in this comprehensive reference work Each entry includes title country of origin year studio number of episodes running time or number of reels episode titles cast production credits and a plot synopsis

**Cinema at the Margins** Wheeler Winston Dixon,2013-12-01 More and more just a few canonical classics such as Michael Curtiz s Casablanca 1942 or Victor Fleming s Gone With The Wind 1939 are representing the entire film output of an era to a new generation that knows little of the past and is encouraged by popular media to live only in the eternal present What will happen to the rest of the films that enchanted informed and transported audiences in the 1930s 1940s and even as recently as the 1960s This collection of essays aims to highlight some of the lesser known treasures of the past those titles that have been pushed aside by today s wave of cinema amnesia
