Lost In Space:

Lost in Space: Return to Yesterday Kevin Emerson, 2019-11-19 A thrilling original novel based on Netflix's smash hit *Lost in Space*. This all new story focuses on 11 year old Will Robinson and his closest friend and greatest protector a mysterious Robot with a dangerous past. Thirty years in the future Earth has become increasingly more uninhabitable and a group of colonists including Will his two teenage sisters and their parents travels across the galaxy to establish a new home. But when the ship is attacked the Robinsons are stranded on an alien planet where they must contend with disastrous technical issues a hostile environment and dangerous personalities to get off world and reach their colony. One day while exploring a remote complex of caves with his Robot Will discovers a strange portal that allows him to travel back to Earth to a time before the Robinsons left on their mission. Realizing the portal could be a way for the colonists to escape the planet and finally make their way to their new home Will and his sisters decide to investigate it triggering a series of events that not only changes their reality but threatens the group's very existence. With the beings who created the portal in pursuit Will must find a way to right the wrongs of the past and save his family's future. 2019 Legendary All Rights Reserved Three Years Lost in Space Mark Goddard, 2016-05-27 Mark Goddard the author of *To Space and Back* looks back fifty years to the three years he spent on *Lost in Space*. This book reveals the personal thoughts and memories of the author Mark Goddard in relation to various aspects of the Jupiter 2 costuming and the cast. Thirty one selected episodes of the series are written in a unique way by both the real Mark and his reel character Don West.
