From bestselling author Kristina McMorris comes an ambitious and heartrending story of immigrants, deception, and second chances. On a cold night in October 1937, searchlights cut through the darkness around Alcatraz. A prison guard's only daughter, one of the youngest civilians who lives on the island, has gone missing. Tending the warden's greenhouse, convicted bank robber Tommy Capello waits anxiously. Only he knows the truth about the little girl's whereabouts, and that both of their lives depend on the search's outcome. Almost two decades earlier, and thousands of miles away, a young boy named Shanley Keagan ekes out a living in Dublin pubs. Talented and shrewd, Shan dreams of shedding his dingy existence and finding his real father in America. The chance finally comes to cross the Atlantic, but when tragedy strikes, Shan must summon all his ingenuity to forge a new life in a volatile and foreign world. Skillfully weaving these two stories, Kristina McMorris delivers a compelling novel that moves from Ireland to New York to San Francisco Bay. As her finely crafted characters discover the true nature of loyalty, sacrifice, and betrayal, they are forced to confront the lies we tell and believe in order to survive. Will grab your heart on page one and won't let go until the end. I absolutely love this book, and so will you. Sara Gruen, 1. New York Times bestselling author of *Water for Elephants*. An absorbing, addictive read. Beatriz Williams, New York Times bestselling author. *Lost and Found* Marilyn Harris, 1991 A young girl is put on the wrong train, and this is the story of the long search for her. *Annual List of Books Added to the Public Library of Cincinnati* Public Library of Cincinnati and Hamilton County, 1878

Novel Competition Evan Brier, 2024-04-16 *Novel Competition* describes the literary and institutional effort to make the American novel matter after 1965. During this era, Hollywood movies, popular music, and other forms of mass-produced culture vied with novels for a specific kind of prestige, often figured as importance or relevance that had mostly been attached to novels in previous decades. This trans-media competition, Brier argues, is a crucial but largely unacknowledged event in the literary and economic history of the American novel. In the face of it, the novel lost some of the

symbolic specialness it formerly held That loss in turn generated not just a much discussed rhetoric of crisis but also a host of unexamined intertwined effects on both literary form and the business of novel production Drawing on a range of novels and on the archives of publishers editors agents and authors *Novel Competition* shows how fiction's declining position in a transformed popular prestige economy reshaped the post 1965 American novel as art form cultural institution and commodity
