Lost In America A Journey With My Father:

Lost in America Sherwin B. Nuland, 2007-12-18 A writer renowned for his insight into the mysteries of the body now gives us a lambent and profoundly moving book about the mysteries of family At its center lies Sherwin Nuland's Rembrandtesque portrait of his father Meyer Nudelman a Jewish garment worker who came to America in the early years of the last century but remained an eternal outsider Awkward in speech and movement broken by the premature deaths of a wife and child Meyer ruled his youngest son with a regime of rage dependency and helpless love that outlasted his death In evoking their relationship Nuland also summons up the warmth and claustrophobia of a vanished immigrant New York a world that impelled its children toward success yet made them feel like traitors for leaving it behind Full of feeling and unwavering observation *Lost in America* deserves a place alongside such classics as *Patrimony* and *Call It Sleep*

Lost in America Colby Buzzell, 2011-08-23 Colby Buzzell has always been a loner An autodidact who never went to college he was dubbed the voice of a generation by Robert Kurson for his daring and critically acclaimed book *My War Killing Time in Iraq* Half a decade later overwhelmed by the birth of his son and the death of his mother Buzzell finds himself rudderless Desperate to escape the constraints of his postwar existence he packs his things gets in the car and for five months drives across America no map no destination In his 1965 Mercury Comet Buzzell travels through the bowels of a country steeped in economic turmoil and political malaise With a bottle of whisky in one hand and a pack of cigarettes in the other he takes us on a tour of big box stores grimy gas stations abandoned warehouses strip clubs and flophouses He captures the distinct voices and vivid stories of a forgotten America Cheyenne Omaha Salt Lake City Des Moines Detroit and San Francisco's Tenderloin Buzzell unearths America's bones in all their beauty and starkness And like the veterans of Hemingway's *Lost Generation* he struggles to reconcile his wanderlust with his responsibilities as a man and a father *Lost in America* is a stunning account of the ravages of war on one individual It also reveals deep truths about a more universal journey the struggle to find our place in the world without a map

Becoming African in America James Sidbury,2007-09-27 The first slaves imported to America did not see themselves as African but rather as Temne Igbo or Yoruban In Becoming African in America James Sidbury reveals how an African identity emerged in the late eighteenth century Atlantic world tracing the development of African from a degrading term connoting savage people to a word that was a source of pride and unity for the diverse victims of the Atlantic slave trade In this wide ranging work Sidbury first examines the work of black writers such as Ignatius Sancho in England and Phillis Wheatley in America who created a narrative of African identity that took its meaning from the diaspora a narrative that began with enslavement and the experience of the Middle Passage allowing people of various ethnic backgrounds to become African by virtue of sharing the oppression of slavery He looks at political activists who worked within the emerging antislavery moment in England and North America in the 1780s and 1790s he describes the rise of the African church movement in various cities most notably the establishment of the African Methodist Episcopal Church as an independent denomination and the efforts of wealthy sea captain Paul Cuffe to initiate a black controlled emigration movement that would forge ties between Sierra Leone and blacks in North America and he examines in detail the efforts of blacks to emigrate to Africa founding Sierra Leone and Liberia Elegantly written and astutely reasoned Becoming African in America weaves together intellectual social cultural religious and political threads into an important contribution to African American history one that fundamentally revises our picture of the rich and complicated roots of African nationalist thought in the U S and the black Atlantic
