Lost River Bridge Stephen P. Byers,2013-05-24 With trembling hands and shattered nerves Elijah Taber the alter ego of the author returns from infantry combat in Europe having escaped death by a miracle He finds solace among his relations in Lost River Bridge an isolated community in the Ozark Mountains of Missouri Expecting to visit for two weeks he spends the entire summer of 1946 finding himself rejuvenated and ready to face his future He returns to Canada completes his engineering degree and has a successful career as a construction manager Forty two years after his first visit offering no reason for his choice he returns to the place that cured him from the mental anguish of his war experience to find a dying community until at last he is the only living soul remaining in Lost River Bridge He reflects on his situation In the cool crisp evening under a starlit sky depressed and lonely my world had come undone Five years ago I came back to Lost River Bridge to fill the vacuum in my soul and now even that moment of pleasure in the twilight of my life was being wrenched from my heart In desperation before he must depart he solves a mystery donates the family heirloom to the next generation who reveal their ambition to rejuvenate the community and relates to them the LEGEND OF THE FOUNDING OF LOST RIVER BRIDGE
