Lost Worlds Kevin Foster,2009-09-07 Think of Latin America and what do you see Escape Adventure Chaos Oblivion Lost Worlds explores how these stereotypes came into being and what they tell us about ourselves Examining a range of texts from Southey's epics to Naipaul's essays from Conan Doyle's gentlemen adventurers to Kerouac's restless hipsters this book reveals the role that Latin America has played in British US and Australian endeavours in the nineteenth and twentieth centuries Over the last 200 years Latin America has served the West as an imaginary realm where its highest hopes and deepest anxieties might be realised

Encyclopedia of Cryptozoology Michael Newton,2016-10-05 On every continent and in every nation animals unrecognized by modern science are reported on a daily basis People passionately pursue these creatures the name given to their field of study is cryptozoology Coined in the 1950s the term literally means the science of hidden animals When the International Society of Cryptozoology ISC was formed in 1982 the founders declared that the branch of science is also concerned with the possible existence of known animals in areas where they are not supposed to occur either now or in the past as well as the unknown persistence of presumed extinct animals to the present time or to the recent past what makes an animal of interest to cryptology is that it is unexpected This reference work presents a flesh and blood view of cryptozoology Here 2 744 entries are listed the majority of which each describe one specific creature or type of creature Other entries cover 742 places where unnamed cryptids are said to appear profiles of 77 groups and 112 individuals who have contributed to the field descriptions of objects and events important to the subject and essays on cryptotourism and hoaxes for example Appendices offer a timeline of zoological discoveries annotated lists of movies and television series with cryptozoological themes a list of crypto fiction titles and a list of Internet websites devoted to cryptozoology

Prehistoric Humans in Film and Television Michael Klossner,2015-01-09 From the early days of the movies cavemen have been a popular subject for filmmakers not surprisingly since the birth of cinema occurred only a few decades after the earliest scientific studies of prehistoric man Filmmakers however were not constrained by the emerging science instead they most often took a comedic look at prehistory a trend that continued throughout the 20th century Prehistoric humans also populated adventure fantasy films with the original One Million B C 1940 leading the charge Documentaries were also made but it was not until the 1970s that accurate film accounts of prehistoric humans finally emerged This exhaustive work provides detailed accounts of 581 film and television productions that feature depictions of human prehistory Included are dramas and comedies set in human prehistory documentaries and films and television shows in which prehistoric people somehow exist in historical periods from the advent of civilization up to the present or in extraterrestrial settings Each entry includes full filmographic data including year of release running time production personnel cast information and format A description of each film provides background on the prehistoric elements Contemporary critical commentary is included for many of the works

Alien Sex Gerard Loughlin, 2008-04-15 Gerard Loughlin is one of the leading theologians working at the interface between religion and contemporary culture In this exceptional work he uses cinema and the films it shows to think about the church and the visions of desire it displays Discusses various films including the Alien quartet Christopher Nolan's Memento Stanley Kubrick's 2001 A Space Odyssey and A Clockwork Orange Nicolas Roeg's The Man Who Fell to Earth and Derek Jarman's The Garden Draws on a wide range of authors both ancient and modern religious and secular from Plato to Levinas from Karl Barth and Hans Urs von Balthasar to Andr  Bazin and Leo Bersani Uses cinema to think about the church as an ecclesiacinema and films to think about sexual desire as erotic dispossession as a way into the life of God Written from a radically orthodox Christian perspective at once both Catholic and critical

All-Time Nines Don Cox, 2016-01-25 Who was the best baseball team of all time This timeless question can most effectively be answered through comprehensive analysis of baseball statistics Over the course of a season winning teams tend to score more runs while allowing fewer than their opponents The greater the difference in runs per game the more a team can be expected to win Comparing this data for the top five percent of Major League nines from 1901 through 2014 this book argues that runs above league average is the best statistic for ranking teams The author sorts 220 teams by era franchise and skills hitting fielding baserunning pitching evaluates their strengths and weaknesses and assigns numerical values to each player's skills to demonstrate how they contributed to team performance
