

A close-up, high-detail illustration of a steampunk character. The character's face is pale and human-like, but heavily integrated with mechanical components. Large, circular gears are visible on the forehead and around the eyes. The character has large, expressive orange-brown eyes and a slightly open mouth. The background is a complex, dark arrangement of various sized gears and mechanical parts, creating a sense of a vast, intricate machine world. The overall color palette is dominated by browns, greys, and the warm tones of the character's eyes and skin.
