One Hundred Fifty Years Of News From The Herald:

One Hundred and Fifty Years of News from the Herald, 1840-1990, 1990 *Fifty Years in the Newspaper Game* James Brown Borland, 1928 *Goodly Heritage: One Hundred Fifty Years of Craft Freemasonry in Indiana* Dwight L. Smith, 2018-06-17 Goodly Heritage by Dwight L. Smith is the most comprehensive historical account ever written about the Freemasons in the state of Indiana It was originally published in 1968 in conjunction with the 150th anniversary of the January 1818 founding of the Grand Lodge of Indiana F AM in Madison and is widely considered to be the most authoritative historical reference work for the state s fraternity It contains a wealth of early photographs of historic lodges and influential men within the Masonic community along with exhaustive reference lists of lodges grand lodge officers and more This facsimile reprint edition was authorized in 2018 in conjunction with the Grand Lodge s Bicentennial celebration and through the assistance of the Masonic Library and Museum of Indiana Inc **Reviving the Fourth Estate** Julianne Schultz, 1998-11-16 The news media is traditionally the watchdog of democracy Today it is also one of the most pervasive global industries In this lively and accessible book Schultz systematically analyses the role of journalism in Australia and the scope of its democratic purpose She examines key news stories and looks at the attitudes of Australian journalists themselves The fourth estate remains the ideal of most journalists but the reality has been impaired by the increasing concentration of media ownership and by political ethical and occupational interests While Australian journalism has become bolder and more investigative increasing commercialism and decreasing ethical standards have left the public sceptical Schultz argues for a revival of the fourth estate based on journalistic independence and political autonomy together with increased accountability and responsiveness **Harold Holt** Ross Walker, 2022-08-30 A revelatory biography of Harold Holt the prime minister who helped create modern Australia Harold Holt was a pivotal prime minister in Australian history Ambitious modern and telegenic he helped bring his party and nation into the late twentieth century following the Menzies years Nowhere was Holt s legacy more significant than in the 1967 referendum and in helping to end the White Australia policy At the same time as the Vietnam War raged Holt dramatically increased Australian troops telling President Lyndon B Johnson in 1966 that Australia was all the way with LBJ In this evocative intimate and deeply researched biography Ross Walker captures the worlds in which Holt moved and the people who were close to him He reveals a popular gentle yet at times self destructive man whose tendency to always go one step further would have fatal consequences This is a strikingly original portrait of Australia s seventeenth prime minister A beautifully told story of a fascinating Australian life and a tragic prime ministership not only in its bizarre end but in the entanglement of an amiable easygoing man in poisonous political rivalry and a brutal and contentious war in Vietnam **Dark Object** Frank Bongiorno Don Ledger, Chris Styles, 2008-12-10 The facts confirm the UFO crash happened Officials deny it What don t they want us to know In 1965 a massive wave of UFO sightings occurs worldwide In 1967 residents of Shag Harbor Canada witness a huge UFO crash into the bay Three Royal Canadian Mounties

watch it float before sinking Navy divers mount an extensive search Now officials say nothing ever happened Why Researchers Don Ledger and Chris Styles Styles himself an eyewitness to the Shag Harbor crash have tackled one of the best documented and most top secret incidents in the annals of UFO sightings What they have found out will astound and outrage readers From mysterious surveillance twenty five years after the crash to the sudden disappearance of written records someone wanted the investigation stopped But Ledger and Styles now file their stunning report and reach a chilling conclusion about the Dark Object what really happened and what remains hidden today *Australian national bibliography*

States. Congress,1971 **Dallas Forever Changed** Dan Helpingstine,2015-06-24 A city is redefined by the JFK assassination As Pres John F Kennedy gasped his final breath the city of Dallas died with him For decades the city struggled to recover from its image as the City of Hate Citizens of Dallas were scorned and the city excoriated in the press Only the passage of time and cultural triumphs such as the Dallas Cowboys and the television show Dallas brought healing and distance But as the fiftieth anniversary of Kennedy s assassination drew near the city of Dallas struggled publicly and privately over proposed commemorations of the event exacerbated by the lingering questions left unanswered by the Warren Commission s report Factions were drawn into conflict over the goals of the public events Drawing on scores of interviews and primary sources author Dan Helpingstine paints a full picture of the complex forces that continue to shape Dallas today

The Fourth Estate ,1922 **The End of Supplication** Yannick Marshall,2025-10-02 The figure of the supplicant negro a figure famously represented in Josiah Wedgewood s 18th century anti slavery medallion continues to sideline radical Black anti colonialist struggle The End of the Supplication contends that Black freedom struggles are anti colonial movements against anti Blackness and the permutations of slavery and as such they are ill served by a dominant Civil Rights discourse that escapes neither the paternalism of white abolitionism nor the caricatures of minstrelsy The book traces the roots of the white supremacist ideology behind the disarmed supplicant negro figure and it shows how this ideology continues to inform present liberal presentations of Black people as passive subjects at the mercy of white power which only reinforces the relatively light consequences white supremacists generally incur for harming Black people These discussions lead to the conclusion that in our contemporary context of rising openly white supremacist politics the figure of the supplicant negro must be definitively destroyed in order to make way for more effective resistance to anti Black racism This book is a must read for students and researchers interested in colonialism and decolonization diaspora studies critical race and whiteness studies African American studies Black studies and Indigenous studies It is also of keen interest for anyone frustrated with the still recurring admonition to go slow when it comes to eradicating structural racism *The Journal of the Senate During the ... Session of the Legislature of the State of California* California. Legislature. Senate,1887 **Journal** California.

Legislature,1887 **Fifty Years Among the New Words** John Algeo,Adele S. Algeo,1991 This book first published in 1992 is a

unique repository of language use from 1941 91 *The Popular Science Monthly* ,1886 **Popular Science** ,1886-02

Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better Popular Science Monthly and World's Advance ,1886 **The Decline of Popular Politics**

Michael E. McGerr,1988-05-19 In the 1984 presidential election only half of the eligible electorate exercised its right to vote Why does politics no longer excite many of not most Americans Michael McGerr attributes the decline in voting in the American North to the transformation of political style after the Civil War The Decline of Popular Politics vividly recreates a vanished world of democratic ritual and charts its disappearance in the rapid change of industrial society A century ago political campaigns meant torchlight parades spectacular pageants staged by opposing parties and crowds of citizens attired in military dress or proudly displaying their crafts at well attended rallies The intense partisanship of presidential campaigns and party newspapers made political choice easy for people from all walks of life In the late 1860s and 1870s however the rise of liberalism led to a rejection of partisanship by the press and a move towards educational rather than spectacular electioneering This style then lost out at the turn of the century to the sensational journalism of Joseph Pulitzer and William Randolph Hearst and the advertised campaigning of Mark Hanna and other politicians McGerr shows how these new developments made it increasingly difficult for many Northerners to link their political impulses with political action By the 1920s Northern politics resembled our own public life today A vital democratic culture had yielded to advertised campaigns an emphasis on personalities rather than issues or partisanship and low voter turnout *The Newspaper Press* James Amphlett,1869
