interest on loans and the ease of availability of loans the difference in the level of technology and ability to acquire technology project management skills risk aversion valuation of the asset and the difference in the economic political and diplomatic support received by the Chinese and Indian oil companies from their respective governments It is argued that the difference in the relative economic and political power of India and China accounts for the ability of Chinese oil companies to outbid their Indian competitors and or be preferred as partners by international oil companies Containing interviews from Indian and Chinese oil company executives government officials industry officials former diplomats and scholars and academics from India China and the UK this book makes a valuable contribution to existing literature on India China and the oil industry in West Africa It will be a valuable resource for academics in the field of International Relations Foreign Policy Analysis Asian Business and Economics The Soviet Union and the Horn of Africa during the Cold War Radoslav A.

Yordanov,2016-03-17 At the height of the Cold War Soviet ideologues policymakers diplomats and military officers perceived the countries of Africa Asia and Latin America as the future reserve of socialism holding the key to victory over Western forces The zero sum nature of East West global competition induced the United States to try to thwart Soviet ambitions The result was predictable the two superpowers engaged in proxy struggles against each other in faraway little understood lands often ending up entangled in protracted and highly destructive local fights that did little to serve their own agendas Using a wealth of recently declassified sources this book tells the complex story of Soviet involvement in the Horn of Africa a narrowly defined geographic entity torn by the rivalry of two large countries Ethiopia and Somalia from the beginning of the Cold War until the demise of the Soviet Union At different points in the twentieth century this region arguably one of the poorest in the world attracted broad international interest and large quantities of advanced weaponry making it a Cold War flashpoint The external actors ultimately failed to achieve what they wanted from the local conflicts a lesson relevant for U S policymakers today as they ponder whether to use force abroad in the wake of the unhappy experiences in Iraq and Afghanistan **South Africa News Update** ,1999 Consists of reproductions of articles from South African newspapers

South African Foreign Policy Review: Volume 2 Masters, Lesley,Zondi, Siphamandla,2015-07-13 The first two decades of South Africa s democracy have seen a growing breadth and depth in the analysis of South Africa s foreign policy This second volume of the South African Foreign Policy Review considers the continuity and change in South Africa s foreign policy over the course of two decades with a particular focus on the more recent approach under the Zuma administration This includes a closer look at the principles practices and partnerships that shape South Africa s international relations and is aimed at supporting knowledge for reflection on South Africa s conduct internationally and for anticipating ways in which the country may approach international relations and foreign policy going forward It discusses the foreign policy making and the nature of South Africa s diplomatic relations with Africa Asia the Middle East and North Africa Latin America Europe and North America as well as the country s participation in multilateral diplomacy in Africa the global South and at the United Nations
