Pentecostal Preaching:

Proclaiming the Whole Counsel of God Steve D. Eutsler, 2025-04-24 For years the best sages have warned Those who fail to plan plan to fail Experience has proven this advice to be true in the spiritual realm as well as in the secular Without careful planning even Pentecostal ministers of the gospel often repeat certain texts or topics while they neglect other critical truths This frequent phenomenon inspired the integrated approach in this project Dr Eutsler has written a book on preaching that Pentecostal Charismatic pastors and ministers have needed for a long time Based on years of practical experience and sound scholarship it combines an emphasis on the guidance of the Holy Spirit along with long range planning After exploring the unique dynamics of Pentecostal preaching he discusses step by step how to increase their implementation on a more consistent basis This volume will benefit both beginning and veteran students of preaching It could easily be used personally or in a classroom setting Those preachers who read and implement its wise counsel will improve the quality creativity and variety of their preaching George O Wood General Superintendent of the Assemblies of God

The Kerygmatic Spirit Amos Yong, 2018-11-06 This collection of fifteen sermons by one of the leading pentecostal theologians today provides insight into the form style and content of preaching in the pentecostal tradition while also being suggestive of normative homiletical theory and practice The Kerygmatic Spirit argues that Spirit empowered preaching is apostolic not only with regard to being rooted in the scriptural traditions but also with regard to connecting the that of the early Christian message with the this of contemporary experience and discipleship Hence rather than only reflecting pentecostal preaching of the sort that happens in the pulpits of churches connected to the modern movement by that name these sermons are presented as the participating in the form of gospel proclamation inspired and empowered by the divine Spirit poured out on all flesh on the Day of Pentecost by the risen Christ from the right hand of the Father Whether read or heard there are links to video and audio archives throughout these homilies are illustrative of exegetical and expository practice that connects the biblical text with Spirit filled faithfulness in the twenty first century ecumenical church and world at large

Pentecostal Preaching and Ministry in Multicultural and Post-Christian Canada Steven M. Studebaker, 2019-11-07 Over the past forty years Canada has become an increasingly secular multicultural and religiously plural society Indeed the church in Canada and Pentecostals in particular face a challenging context for responding to the call to bear witness to Christ in the power of the Holy Spirit Like the disciples on the day of Pentecost however we need the Holy Spirit to come upon us and liberate us from our post Christian pessimism We need the Holy Spirit to enable us to proclaim the gospel to the nations people that are no longer at the ends of the earth but making their home in Canada This book engages this new context and considers and proposes ways that pentecostal Christians and churches can respond to the challenges of the increasingly post Christian multicultural secular and religiously plural context of Canadian society
