Quality And Accountability A New Era In American Hospitals:

Quality and Accountability Stanley A. Skillicorn, 1980 **The Elusive Quest** Carolyn L. Wiener, Wiener Research Sociologist School of Nursing U of California examines the large oversight apparatus that has been established to promote hospital accountability and the arena that has developed around it comprised of consultants measurement experts researchers software developers and numerous others **Operations Research for Health Planning and**

Administration Stephen J. Duckett, 2012-12-06 Operations research aims to assist managers faced with problems of coordinating activities improving the quality of care of services delivered making optimal resource allocation decisions and generally managing services and institutions Operations research or O R was originally developed in response to the problems of the second World War It was characterised then by a unifying and clear objective clear problems that had to be solved and the use of inter disciplinary teams to analyse and solve identified problems This analysis often drew on mathematical techniques After the war operations research moved in two separate but related directions In England the emphasis on inter disciplinary approaches and problem solving teams remained The operations researcher still used mathematical techniques but these were not systematised into a volume of standard formulae The emphasis of operations research was on the approach not the tools used see for example Luckman also Luck Luckman Smith and McLachlan 1975 In the United States the emphasis was placed on the use of mathematical techniques Operations research became a mathematically based science relying on standardised models e g queuing allocation and formulae This approach was facilitated by the availability of computers Hospital Quality Assurance Jesus J. Pena, 1984 **Current Catalog** National Library of Medicine (U.S.), First multi year cumulation covers six years 1965 70 **Hospital & Health Services**

Administration, 1976 **A Decision Analytic Approach to Clinical Decision Assessment** Abraham Sin Oih Yu, 1986

A New Era of Responsibility U.S. Office Of Management And Budget, 2010-03-01 There are the years that come along once in a generation writes President Barack Obama in his introductory message to his 2009 budget for the United States of America when we look at where the country has been and recognize that we need a break from a troubled past that the problems we face demand that we begin charting a new path This governmental report is Obama s comprehensive plan for moving past the legacy of misplaced priorities he inherited from the Bush administration in order to jumpstart the U S economy and invest for the nation s future From the Department of Agriculture to the Department of Veteran Affairs from the literally down to earth business of the EPA to the spacebound mission of NASA here Obama lays out his concrete pragmatic strategy to move American schools into the 21st century improve health care while reducing it costs repair crumbling infrastructure and rebuild the American economy Any American who wants to be informed about the most fundamental operations of the nation will want to study this important report The United States OFFICE OF MANAGEMENT AND BUDGET is a Cabinet level office established in 1921 for the White House oversight of federal agencies The OMB is currently
