Return Of The Grudstone Ghosts:

The 1870 Ghost Dance Cora Alice Du Bois, 2007-01-01 The 1870 Ghost Dance was a significant but too often disregarded transformative historical movement with particular impact on the Native peoples of northern California The spiritual energies of this great wave as Peter Nabokov has called it have passed down to the present day among Native Californians some of whose contemporary individual and communal lives can be understood only in light of the dance and the complex religious developments inspired by it Cora Du Bois's historical study The 1870 Ghost Dance has remained an essential contribution to the ethnographic record of Native Californian cultures for seven decades yet is only now readily available for the first time Du Bois produced this pioneering work in the field of ethnohistory while still under the tutelage of anthropologist Alfred Louis Kroeber Her monograph informs our understanding of Kroeber's larger grand and crucial salvage ethnographic project in California its approach and style and also its limitations The 1870 Ghost Dance adds rich detail to our understanding of anthropology in California before World War II

Things That Go Bump in the Night Louis C. Jones, 2019-11-01 Things That Go Bump in the Night first published in 1959 is a fascinating collection of some of the many ghost and haunted house stories and places of New York state Traditional folksy ghost stories collected by the author and his students while he was teaching at Cornell Some of these stories made me want to visit the places mentioned The author said that he didn't change any of the place names but he did change names of people so tracking down the particular stone house somewhere between Middletown and Norway becomes problematic since limestone was a popular building material in that area

Gothic Returns in Collins, Dickens, Zola, and Hitchcock E. Salotto, 2016-04-30 Looking at the gothic in Victorian fiction the development of cinema and Hitchcock's Vertigo this book explores the contained or repressed desires of both characters and plots which defy direct representation resulting in obsession fetishism and displacement engendering a novel account of the way in which the gothic becomes internalized

Woodland Ghosts Gordon Punter, 2016-09-05 Does malevolence exist beyond the grave An extract from the diary of Eleanor Harmsworth governess at Waldegrave Hall dated Wednesday 11 October 1899 At first I was utterly transfixed but as I summoned the courage to move so the presence hurriedly glided past me and similar to a heated knife slicing through a block of cold butter went straight through the closed door of my bedchamber and disappeared If ever an event were created to determine the mettle of an individual then exposing

a person to a chilling spectacle such as this would surely test the nerve of any mortal In this extraordinary novel author Gordon Punter delivers a story about courage risk change and hope and a love that never dies Chinese Literature, Essays, Articles, Reviews ,1991 *Geronimo and Sitting Bull* Bill Markley,2021-05-01 2022 Will Rogers Medallion Award Silver Winner for Western Biographies and Memoirs Two Native American leaders who left a lasting legacy Geronimo and Sitting Bull Most Americans and many people worldwide have heard these two famous names Today however the general public knows little about the lives of these great leaders During the second half of the nineteenth century when they opposed white intrusion and expansion into their territories just the mention of their names could spark fear or anger After they surrendered to the army and lived in captivity they evoked curiosity and sympathy for the plight of the American Indian Author Bill Markley offers a thoughtful and entertaining examination of these legendary lives in this new joint biography of these two great leaders **Reed's Beach** Bret Lott,2013-06-18 Hugh and Laura Walker could never have anticipated that the single greatest source of joy in their lives could so suddenly fill them with such unrelenting grief The death of their only child seven year old Michael struck by a car just seconds after stepping off his school bus has left them stranded in a sea of sorrow With no emotional compass to guide them the Walkers retreat to an old cottage near Cape May New Jersey where separated from the daily reminders of their numbing loss they hope to reenter the world of the living But lurking just below their sanity and resolve are memories not only of the simple joy that Michael brought to their lives but also of the horror of his fatal accident Buffeted by the conflicting winds of mourning and renewal the Walkers see the once solid foundation of their marriage begin to loosen And Laura harbors a secret one essential to her self preservation but which could destroy all she and Hugh have ever been to each other **Reed's Beach** weaves domestic tragedy with a strikingly original thriller of the heart revealing the truths hidden deep within each of us while holding out the elusive promise of love and hope Ghost Rock Andy Genereux,2003 *Ghost Rock* is a guide to sport and multi pitch rock climbs in the Ghost River and Waiparous Creek areas west of Calgary It gives detailed route descriptions along with chapter by chapter parking access and approach details By local standards the *Ghost* has climbing on above average rock Even with 200 new routes since the first edition it is still however woefully underdeveloped Already a mecca for ice climbers the *Ghost* is fast becoming one of the premier rockclimbing areas in Western Canada It is a virtual candy store of new routes and will remain so for some time to come Over 35 kilometres of steep cliff line coupled with its remote and relatively wild nature make for an unforgettable rock climbing experience **Musical Courier and Review of Recorded Music** ,1918 **We Are the Land** Damon B.
