'The Real Scriptures' of God James Platter,2012-08-14 Inside the covers of this book you will find the Real Scriptures of the Christian churches Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books It isnt in the canon of scripture formed of course by the early Catholic Church at various stages and Councils from the fourth century A D therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of Scripture over many centuries They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world So is European Christianity based in the Vatican City right about all its holy scriptures while everyone elses church scriptures are false scriptures Ethiopia it seems got most books of scripture right even with their translation into an ancient language *The Lost Books of the Bible and The Forgotten Books of Eden* Rutherford Hayes Platt,1927 Presented here are two volumes of apocryphal writings reflecting the life and time of the Old and New Testaments Stories told by contemporary fiction writers of historical Bible times in fascinating and beautiful style **The Apocrypha #1** Apostle Arne,2015-04-30 The Biblical apocrypha from the Greek ap kruphos meaning hidden denotes the collection of ancient books found in some editions of the Bible in a separate section between the Old and New Testaments or as an appendix after the New Testament *The Forgotten Books of Eden* Rutherford Platt, Jr.,Jr. Rutherford H. Platt,2007-06-01 We are active restless both in body and mind Curiosity has replaced blind faith We go groping peering searching scornful of dogmas back further back to sources And just as the physicist thrills at the universes he discovers as he works inward in the quest of his electrons so the average man exults in his apprehension of fundamentals of psychology New cults spring up attesting to the Truth as they see it countless fleets of Theism Buchmanism Theosophy Bahai ism etc sail under brightly colored flags and Atheism is flaunting itself on the horizon Almost the passengers have turned pilots Everyman is thinking for himself The findings here in this strange volume bring the reader into a large inland sea cut off from the traffic and the tempest that have sprung up in the West and untouched by the crosscurrents of dogmas and presumptions that have cluttered historic centuries Here is virgin water that gushes troubled by abysmal forces only out of the very earth itself The Lost Books of the Bible and the Forgotten Books of Eden Anonymous,1974-12-01 Suppressed by the early Church Fathers who compiled the Bible these Apocryphal Books have for centuries been shrouded in silence Now for the first time in paperback the reader can discover the hidden beauties of the Lost Books To be found in this volume are the Apostles Creed the Psalms and Odes of Solomon and other Apocryphal writings that have become part of our religious heritage The

story of Joseph and Potiphar's wife of Adam and Eve of the girlhood and betrothal of Mary of the childhood of Jesus are here in all the warmth intimacy and humanity of their first telling **The Forgotten Books of Eden** Rutherford Hayes Platt, J. Alden Brett, 1927 **Lost Books of the Bible and the Forgotten Books of Eden** Thomas Nelson, 2021-11-16 In *Lost Books of the Bible and the Forgotten Books of Eden* you can read for yourself many of the manuscripts which were excluded from canonized Scripture and discover new appreciation for those which were chosen Though apocryphal in nature many of them suppressed by the early Church Fathers these forgotten books gospels testaments and epistles are fascinating and beautifully written Included in this volume are Apocryphal gospel accounts such as The Gospel of the Birth of Mary Thomas's Gospel of the Infancy of Christ and Peter's Gospel Apocryphal epistles such as Paul's letter to the Laodiceans Clement's letter to the Corinthians and the general epistles of Barnabas Letters from Ignatius to groups of early Christians including the Ephesians the Romans and the Trallians The early 2nd century Christian work The Shepherd of Hermas Roman letters and reports from Herod and Pilate Fables from Old Testament times such as The Books of Adam and Eve The Secrets of Enoch and the Psalms of Solomon Historical accounts including the fourth book of the Maccabees and more Included before each book are some notes on its origins Also included are frequent black and white images of etchings from early manuscripts

The Revival of Platonism in Cicero's Late Philosophy William H. F. Altman, 2016-04-13 Less than two years before his murder Cicero created a catalogue of his philosophical writings that included dialogues he had written years before numerous recently completed works and even one he had not yet begun to write all arranged in the order he intended them to be read beginning with the introductory Hortensius rather than in accordance with order of composition Following the order of the *De divinatione* catalogue William H F Altman considers each of Cicero's late works as part of a coherent philosophical project determined throughout by its author's Platonism Locating the parallel between Plato's Allegory of the Cave and Cicero's Dream of Scipio at the center of Cicero's life and thought as both philosopher and orator Altman argues that Cicero is not only Plato's rival it was Quintilian who called him *Platonis aemulus* but also a peerless guide to what it means to be a Platonist especially since Plato's legacy was as hotly debated in his own time as it still is in ours Distinctive of Cicero's late dialogues is the invention of a character named Cicero an amiable if incompetent adherent of the New Academy whose primary concern is only with what is truth like *veri simile* Following Augustine's lead Altman reveals the deliberate inadequacy of this pose and argues that Cicero himself the writer of dialogues who used Cicero as one of many philosophical personae must always be sought elsewhere in direct dialogue with the dialogues of Plato the teacher he revered and whose Platonism he revived *The Revival of Platonism in Cicero's Late Philosophy* *Platonis aemulus* and the Invention of Cicero is a must read for anyone working in classical studies ancient philosophy ancient history or the history of philosophy *The Cave of the Nymphs at Pharsalus* Robert S. Wagman, 2015-10-27 *Cave of the Nymphs at Pharsalus* is the first book length study of one of Greece's most cited nymph sanctuaries The volume includes a revised catalog extensive new commentaries on

the cave's famous inscriptions and a first time investigation of the site's topographical and archaeological layout Also known as Alogopati or Karapla cave the Pharsalian shrine holds a special place among ancient nymph caves as the only such site to feature an inscribed poetic chronicle of the shrine's foundation and its founder the mysterious nymph worshipper Pantalces Based on years of fieldwork and archival research Cave of the Nymphs challenges some commonly held views about the origin of this rock cut tale and offers a fresh perspective for understanding the Pharsalian cave in its proper historical context
