England Repentance Dr. Louis E. Newman, 2011-03-02 An inspiring way to reclaim your integrity and renew your sense of moral purpose Like water teshuvah is both destructive and creative It dissolves the person you were but simultaneously provides the moisture you need to grow anew It erodes the hard edges of your willfulness but also refreshes your spirit It can turn the tallest barriers of moral blindness into rubble while it also gently nourishes the hidden seeds of hope buried deep in your soul Teshuvah like water has the power both to wash away past sin and to shower you with the blessing of a new future if only you trust it and allow yourself to be carried along in its current from Part VII In this candid and comprehensive probe into the nature of moral transgression and spiritual healing Dr Louis E Newman examines both the practical and philosophical dimensions of teshuvah Judaism's core religious moral teaching on repentance and its value for us Jews and non Jews alike today He exposes the inner logic of teshuvah as well as the beliefs about God and humankind that make it possible He also charts the path of teshuvah revealing to us how we can free ourselves from the burden of our own transgressions by Acknowledging our transgressions Confessing Feeling remorse Apologizing Making restitution Soul reckoning Avoiding sin when the next opportunity arises The Art of T'shuva - the Teachings of Harav Avraham Yitzhak Hacohen Kook David Samson, 2011-04-11 While psychologists and self help books offer many theories about man's existential dilemma and pain Rabbi Kook reveals that the real cause of humanity's suffering stems from man's alienation from God The solution he teaches is t'shuva While t'shuva is normally translated as penitence or repentance the root of the Hebrew word t'shuva means return T'shuva is a return to the source to one's roots to one's deepest inner self Rabbi Kook writes When one forgets the essence of one's soul when one distracts his mind from seeing the true nature of his inner life everything becomes doubtful and confused The principal t'shuva which immediately lights up the darkness is for a person to return to himself to the root of his soul Then he will immediately return to God to the Soul of all souls This is true for an individual a nation for all of mankind and for the perfection of all existence All depression stems from transgression from being distant from God and t'shuva comes to light up the soul and transform the depression into incredible joy THE ART OF T'SHUVA explains Rabbi Kook's writings on t'shuva in a clear concise and illuminating step by step fashion This encounter with Rabbi's Kook's vision is certain to lead readers to greater personal happiness understanding and spiritual growth Teshuvah Adin Steinsaltz, 2010 Teshuvah return is personal multifaceted spiritual reawakening a desire to strengthen the connection between oneself and the sacred Rabbi Adin Steinsaltz's Teshuvah is not intended as a call to action or an attempt to convince anyone to take that path Rather it is addressed to those who are already considering teshuvah whose who have already resolved to undertake it or have already begun The book is offered to the ba'al teshuvah's advice and guidance in dealing with some of the difficulties likely to be encountered along the way It addresses matters of principle and spiritual orientation what the observances mean how they are related and once embarked on the path of teshuvah how one is to relate to self family and the surrounding society
