Journey Richard Ferguson,2011-09-20 Richard Ferguson grew up a rough kid in a rough neighborhood and yet he went on to become a Reiki master with a pilots license and two masters degrees How did he rise above his early circumstances It started with a godly epiphany high in the sky above the Pacific Ocean Since then he has been a spiritual seeker and as the good book says those who seek will ultimately find Follow his riotous path in A Real Life Christian Spiritual Journey Fergusons Christian transformation was not immediate Once upon a time he hated everything to do with religion Part I uses Fergusons life journey as a template for the paths of all human life We all go through stages and each stage equates to who we ultimately will be and what we will believe in Part II traces the unity of our stages in the earthly realm Part III sets foot into the great beyond Ferguson lost his wife to death but he has come to realize that death is not an ending it is a graduation to a higher more joyful existence in eternity With the guidance of psychologists Erik Erikson and James Fowler as well as spiritual greats St Paul and the Buddha Ferguson looks back on a life well lived proving that when you seek first a higher power all knowledge will be given to you **How Christians Grow** Andrew James Prince,2022-09-27 When someone becomes a Christian they

enter into a lifelong journey of God driven transformation into the likeness of Christ But what does this transformation process look like and what means does God use to bring about spiritual growth How does a Christian continue growing spiritually How do they prevent the practice of the spiritual discipline of meditating on Gods word from become mechanical when they may have read through the Bible many times How do they mature in prayer And how do they continue being conformed to the image of Christ for the rest of their lives rather than simply putting their spiritual gearstick into neutral and coasting into eternity This book seeks to answer such questions It begins by exploring the contours of this spiritual transformation into Christlikeness before introducing various means God uses to bring this about The book seeks to give hope and instruction both to the weary and to the strong so that they can grow more like Christ through the means of grace that God has provided *So You're Planning To Go To Heaven* ,Mary,2019-01-09 As surely as I live says the Lord every knee will bow before me every tongue will confess to God So then each of us will give an account of himself to God Rom 14 11 12 I know we do not drag a suitcase that others can see with all of our faults and all of our good Christian qualities on display however we carry an internal one and sometimes it drags us down This book contains a lot of the things we may need to

dump out of our internal suitcase and many items we may need to put into it Fortunately we have the Holy Spirit sent from God to help us repack our suitcases He is described in this book and can contribute to making your walk with Christ more meaningful and your load lighter I have learned a lot by writing this book and I pray it will help you No one of us wants to be met at Heaven s door with excess baggage **Sponsorship** Richard A.
