The Lost Word Its Hidden Meaning: A Correlation of the Allegory and Symbolism of the Bible with That of Freemasonry George H Steinmetz,2021-11-06 The Lost Word Its Hidden Meaning by George H Steinmetz is one of the most profound explorations ever written on the hidden connections between Biblical allegory and Masonic symbolism First published in 1948 this remarkable work bridges the worlds of religion mysticism and esoteric philosophy offering readers a unified vision of spiritual truth concealed within the symbols of both the Holy Scriptures and the Masonic tradition Steinmetz himself a dedicated student of Masonry and comparative religion guides the reader through an illuminating journey of interpretation from the ancient mystery schools of Egypt and Israel to the spiritual architecture of Solomon s Temple He reveals how Masonic rituals far from being mere ceremony express universal truths about the soul s quest for enlightenment the divine nature of man and the eternal search for the Lost Word the ineffable name of God and the key to inner awakening Written in lucid reverent prose The Lost Word invites both the Mason and the spiritual seeker to look beyond the literal and into the symbolic to rediscover the wisdom encoded in ancient allegory Steinmetz correlates Biblical parables Kabbalistic insight and Masonic ritual into a single framework of moral and metaphysical development showing how each mirrors the soul s ascent from ignorance to illumination For readers fascinated by symbolism sacred history and the spiritual heritage of Western civilization The Lost Word Its Hidden Meaning remains a cornerstone of esoteric literature a synthesis of philosophy faith and the perennial mystery of divine truth concealed within the Word itself **The Lost Word, Its Hidden Meaning**

George H. Steinmetz,1953 **Freemasons** Freemason Rituals, *Speculative Freemasonry and the Enlightenment* R. William Weisberger,2017-09-20 Freemasonry began with stonemasons in the Middle Ages experiencing the decline of cathedral building Some guilds invited honorary memberships to boost their numbers These usually highly educated new members practiced symbolic or speculative Freemasonry The new Masonic lodges and learned societies offered their growing numbers of Protestant Catholic and Jewish members an understanding of deism Newtonian science and representative government and of literature and the fine arts This work describes how Masons on both sides of the Atlantic were mostly either enlighteners political reformers or moderate revolutionaries They offered minimal support to radical revolutionary ideas and leaders **Lost Symbols?** David Ovason,2011-02-28 The secrets the myths and the facts behind Washington D C s design and its Masonic significance In this groundbreaking original work David Ovason reveals the intimate connections between the mysterious zodiacal symbols and the stellar lore of Washington D C and the secret plan for the city There are over fifty complete zodiacs in Washington D C all witness to an extraordinary stellar mystery Why did generations of architects and artists put their lives and energies on the line when designing this City of the Stars What was their shared secret language What or who drove them to create a city overflowing with such esoteric symbolism What is the

meaning behind the secret symbolism of Washington D C s layout And what does it mean for America s future **The Hidden Secret Power of Freemasonry** Robert Kallan, P.M.,2022-08-01 It is entertaining to be antiaEURMasonic and perpetuate conspiracy theories and stories based on satanic worship rather than join Freemasonry or any other private organization primarily structured with improving the individual in society The Masonic term making good men better is the desire of the craft concerning all people living in a multicultural society to better themselves This is masonry in a nutshell To achieve this betterment takes a great deal of work and selfaEURintrospection which the critics of the craft refuse to endure and fail to examine the important historical esoteric symbols associated with the craft This book is dedicated toward neutralizing such superficial negative ideology pursued by critics who have a personal interest in negating the significant works of the greatest fraternal organization in the world Contained herein are chapters on women in Freemasonry the Catholic Church and Freemasonry which contains an addendum relating to over one hundred cardinals and bishops who under pseudonyms were Freemasons a chapter on the 133rd Psalm providing a lineEURbyaEURline interpretation of a work which provides the important ideological humanistic basis for both society and Freemasonry with an important chapter analyzing the final endaEURperiod of a man s life as it related to Ecclesiastes Chapter 12 Men join Freemasonry because in their hearts they seek to improve themselves In a reality any can start living as principled individuals exercising the same values without being a Freemason All that is required is desire and work effort with a foundation from the Holy Bible to betterment of himself However the Masonic Craft assists an individual in this journey by providing defined structure support and a roadmap that helps focus the advancement and as such increases the probability of a successful outcome Freemasonry centers on learning how to charge one s self with thought and physical conduct However in order to improve one must read study and understand the true nature of reality in life buttressed by the role of oneself and those with which one socializes This philosophy underlines why the most important virtues of Freemasonry are symbolic and teach us to be better humans Freemasonry gains its structure and foundation through an inherent love of an adherence to the Holy Bible and would not exist without that devotion The foundation of Masonry is predicated on the fact that the craft and the Bible are intricately interconnected just as other holy books around the world are central to their Freemason organizations Much of Masonry s symbolism is taken from biblical sources especially Genesis and the stories surrounding the building of King Solomon s temples Great emphasis is placed on the development of moral and ethical virtues and the building of character with truth being the guiding principle of our lives Thus brotherhood and charity are natural outcomes and further define one of Masonry s major tenets Masonry uses proven methods to enhance the lives and spirits of members in a tangible way In every Masonic lodge upon its altar there is a Holy Bible supporting the square and compasses This old familiar book so beloved by so many generations is our Volume of the Sacred Law and represents the Great Light in Freemasonry The Bible is open when the lodge opens the Bible is closed when the lodge closes No lodge can transact its own business much less initiate

candidates into the mysteries of the craft unless the Book of Holy Law lies open upon its altar It is the true responsibility of each individual Mason to seek out and understand the true nature of reality through the teachings of Freemasonry discovered in the symbols of the craft The individual must learn to recognize and interpret the footprints of the deity and the sublime methods that he uses to reveal his message So mote it be May the mystery begin *Proceedings of the Most Excellent Grand Holy Royal Arch Chapter of Pennsylvania* Royal Arch Masons. Grand Chapter of Pennsylvania,1861

Masonic Rites and Wrongs Steven Tsoukalas,2021-05-17 Is Freemasonry compatible with Christianity Many Masons answer yes but even they are often ill informed of official Masonic teachings What are the secret doctrines of the Lodge what do the rituals mean and do they conflict with biblical truth Find out in this thoroughly researched expos of Freemasonry an eye opener to those both inside and outside the Lodge Founding Fathers, Secret Societies Robert Hieronimus,2005-12-28 An exploration of the influence of secret societies on the formative documents and symbols of the United States Reveals the Founding Fathers spiritual vision for America as encoded in the Great Seal Traces the influence of the Iroquois League of Nations upon the Constitution Exposes the deep connections the Founding Fathers had with the Freemasons and other secret societies All children growing up in America learn who the Founding Fathers were Most however never learn of the founders connections to the Freemasons the Rosicrucians and other esoteric orders In Founding Fathers Secret Societies Robert Hieronimus investigates these important connections and how their influence can be traced throughout our most significant national documents and symbols especially the Great Seal He reveals in detail how the reverse of the Great Seal which appears on the back of the one dollar bill is a blueprint that conveys the secret destiny of America By understanding the kabbalistic meaning of the Great Seal s reverse he shows how our current era presents unique opportunities for the fulfillment of our Founding Fathers spiritual vision **Masonic Lodge** George Mather,Larry A. Nichols,2016-09-06 Many make the mistake of thinking because a thing is common it is probably harmless Masonic Temples are everywhere Are the Masons just another service organization Though their rites are secret Masons assure others that their practices are totally compatible with Christianity But there is an injunction to each Mason to practice his particular religious creed that revelation of the Deity which is recognized by his religion What really goes on behind the Temple door Here is a discerning detailed response Why this series This is an age when countless groups and movements old and new mark the religious landscape in our culture leaving many people confused or uncertain in their search for spiritual truth and meaning Because few people have the time or opportunity to research these movements fully these books provide essential information and insights for their spiritual journeys Each book has five sections A concise introduction to the group An overview of the group s theology in its own words Tips for witnessing effectively to members of the group A bibliography with sources for further study A comparison chart that shows the essential differences between biblical Christianity and the group The writers of these volumes are well qualified to present clear and reliable information and help us discern religious truth from falsehood
