Ambrose George Potter,1929 **The Man Behind the Rubaiyat of Omar Khayyam** William H. Martin,Sandra

Mason,2016-08-24 Its lines and verses have become part of the western literary canon and his translation of this most famous of poems has been continuously in print in for almost a century and a half But just who was Edward FitzGerald Was he the

eccentric recluse that most scholars would have us believe Is there more to the man than just his famous translation In The Man Behind the Rubaiyat of Omar Khayyam William Martin and Sandra Martin go beyond the standard view Drawing on

their unique analysis of the more than 2 000 surviving letters of FitzGerald together with evidence from his scrapbooks commonplace books and materials from his personal library they reveal a more convivial yet complex personality than we

have been led to suppose *A Printing History of Everyman's Library 1906-1982* Terry Seymour,2011 The total number of Everyman s Library volumes that still survive somewhere in the world exceeds 70 million Since the inception of the Library in

1906 nearly 1200 unique volumes have been published constantly placing the world s greatest books before a large public A few of these titles proved unpopular and were never reprinted But most were reprinted dozens of times packaged in

numerous ways and benefited from updated editorial work and book design over the last century Terry Seymour has studied and researched every aspect of this great mass of books He now captures and distills this knowledge in A Printing History of

Everyman s Library 1906 1982 A critical feature of course is to update the various collecting factoids that have emerged since 2005 when his Guide to Collecting Everyman s Library was published The meat of the new book however is the

Bibliographical Entries section Each volume that has ever been printed receives its own entry detailing every printing each dust jacket variation any new introductions updated scarcity numbers and all relevant notes Typically an entry contains at

least six lines of information but often much more In essence each entry is a story written exclusively about each volume Armed with this resource collectors and booksellers can know reliably everything about the Everyman s Library volume that sits on their shelf or is ready to be purchased or sold They will see how a book fits into the total printing history of that title and be able to describe and value the book with precision To further enhance the value of this book color images illustrate all of the key collecting points An extensive index of editors translators and artists is now included Not just a solo effort the Printing History has been vetted by other expert collectors ensuring greater accuracy and comprehensiveness *Iran and The West* Cyrus Ghani,2013-09-05 First Published in 1987 this volume offers a bibliography of biographies autobiographies and books on contemporary politics by prominent 20th century figures on the topic of Iran **The Publisher and Bookseller** ,1928 Official organ of the book trade of the United Kingdom The Plays of Euripides Euripides,2007-10-01 Included in this volume are The Bacchanals Alcestis Medea Hippolytus Ion The Phoenician Damsels The Suppliants Hercules Distracted and The Children of Hercules Reprinted from the 1906 Edition
