no longer suppress her panicked glitches Winnie too seems to become wary and Arlee's worst fear is confirmed even here in the place her mother promised was going to change everything she's been found out as a freak Just as she's facing a summer completely alone another rising junior slips her a mysterious invitation and Arlee finds herself caught up in a secret society that expects its sisterhood to protect each other from any and all who would harm them by any means necessary Here finally Arlee feels like a part of something bigger something that matters Guided by their cunning leader Lisha a rising senior with a smile sharp enough to cut bone the sisterhood will stand against any threat unquestioningly But when Winnie is put in grave danger Arlee is forced to confront just how far her sisters will go and whether they truly protect the girls **Moving**
