Security Or Armageddon Israels Nuclear Strategy:

Security Or Armageddon Louis René Beres,1986

Israel's Nuclear Dilemma (Routledge Revivals) Yair

Evron,2014-06-03 Originally published in 1994 Yair Evron opens the book with an account of the development of Israel's nuclear doctrine and the internal disagreements within the Israeli political and strategic elite over how nuclear policy should be conducted There follows an analysis of the reactions from Arab states and of how with the exception of Iraq they have so far refrained from developing their own nuclear weapons *Israel's Nuclear Dilemma* Yair Evron,2005-07-28 The

development of Israel's nuclear capacity controversy within the military elite implications for Arab Israeli relations and arms control in the region *Israel's National Security Predicament* David Rodman,2023-09-29 This book provides a ground breaking assessment of the Israeli national security experience from the establishment of the country through to the present day Seventy five years after its establishment the State of Israel continues to face an acute national security predicament as a result of the still unresolved Arab Israeli conflict This monograph offers a new framework for analyzing this experience first exploring the crucial events of the past and present that define it including interstate wars asymmetrical wars low intensity conflicts and developments in weapons of mass destruction The book then probes how Israel's evolving national security doctrine has addressed these various challenges over the years highlighting the roles of a number of variables deterrence warning and decision strategic depth and defensible borders the quality and quantity of fighting men and machines intelligence self reliance in military matters foreign policy and the influence of ethnic demography societal resilience economic prosperity and water security Written in accessible non technical language the book will appeal to general readers seeking an introduction to Israeli security as well as to specialists and researchers in various fields including Israeli history Middle Eastern politics and security studies **The Politics and Strategy of Nuclear Weapons in the Middle East**

Shlomo Aronson,2012-02-01 Based on research from an array of American Arab British French German and Israeli sources this book provides a nuclear history of the world's most explosive region Most significantly it gives an exposition of Israel's acquisition and political use or nonuse of nuclear weapons as a central factor of its foreign policy in the 1960 1991 period In stressing the factor of nuclear weapons the author highlights an often neglected aspect of Israeli security policy This is the first interpretation of the historical development of nuclear doctrine in the Middle East that assesses the strategic implications of opacity Israel's use of suggestion rather than open acknowledgment that it possesses nuclear weapons Aronson discusses the strategic thinking of Israel the Arab countries the U S the former Soviet Union and other countries and connects Israeli strategies for war peace territories and the political economy with the use of nuclear deterrence The author approaches the development of Israeli doctrines on nuclear weapons and defense in general within a large matrix that includes the United States Israeli perceptions of Arab history culture and psychology and Israeli perceptions of Israel's own history culture and psychology He also deals with Arab perceptions of Israel's nuclear program and with Arab and Iranian

incentives to go nuclear In addition he discusses at length the importance of nuclear factors in the conduct of the Persian Gulf War and examines the implications of the decline of the former Soviet Union for arms control and peace in the Middle East

Israel's National Security Efraim Inbar,2007-12-21 This volume presents a comprehensive analysis of Israel s security challenges since the 1973 October War Efraim Inbar takes the reader on a historical journey through Israel s relations in the Middle East that begins with an analysis of Israel s strategic thinking after 1973 and ends with an important look at the recent Second Lebanese War and the Iranian nuclear challenge Israel s National Security delves not only into Israel s responses but also its relationships in the international community providing a complete picture of how Israel s strategic environment has evolved over time Relevant to today s current political atmosphere the volume dissects the influences of the growing appeal of Islamic extremism on the peace process Israel strategic partnerships with India and Turkey and Israel s relations with the Palestinians

Strategic Review ,1990 dedicated to the advancement and understanding of those principles and practices military and political which serve the vital security interests of the United States

Israeli National Security Charles David Freilich,2018 The most comprehensive study to date of Israel s national security It combines an exhaustive analysis of the military diplomatic demographic and societal challenges Israel faces with the responses it has developed to present a detailed proposal for an overall new national security strategy the first such Israeli strategy ever published

Scientists and the State Etel Solingen,1994 An important comparative study of scientists place in the twentieth century state

The Oxford Handbook of Israeli Politics and Society Reuven Y. Hazan,Alan Dowty,Menachem Hofnung,Gideon Rahat,2021 Few countries receive as much attention as Israel and are at the same time as misunderstood The Oxford Handbook of Israeli Politics and Society brings together leading Israeli and international figures to offer the most wide ranging treatment available of an intriguing country It serves as a comprehensive reference for the growing field of Israel studies and is also a significant resource for students and scholars of comparative politics recognizing that in many ways Israel is not unique but rather a test case of democracy in deeply divided societies and states engaged in intense conflict The handbook presents an overview of the historical development of Israeli democracy through chapters examining the country s history contemporary society political institutions international relations and most pressing political issues It outlines the most relevant developments over time while not shying away from the strife both in and around Israel It presents opposed narratives in full force enabling readers to make their own judgments
