Armadale III Collins W., When the elderly Allan Armadale makes a terrible confession on his death bed he has little idea of the repercussions to come for the secret he reveals involves the mysterious Lydia Gwilt flamed hair temptress bigamist laudanum addict and husbandpoisoner This traditional melodrama also considers the modern theme of the role of women in society **The Genealogy of Violence** Charles K. Bellinger, 2001-05-03 Bellinger draws on the thought of Soren Kierkegaard and Ren Girard in search of a Christian understanding of the roots of violence After analysing approaches to understanding violence he goes on to consider Kierkegaard as a theorist of violence Armadale Wilkie Collins, 2020 Wilkie Collins has given us in this novel one more instance of his strange capacity for weaving extra plots *Armadale* from beginning to end is a lurid labyrinth of improbabilities It produces upon the reader the effect of a literary nightmare Miss Gwilt Mrs Oldershaw and Doctor Le Doux of the Sanatorium are enough to make any story in which they figure disagreeably sensational and Mr Collins seizes every possible opportunity of working up the horror they inspire to the highest point If it were the object of art to make one's audience uncomfortable without letting them know why Mr Wilkie Collins would be beyond all doubt a consummate artist To the accomplishment of this object he devotes great ingenuity a curious genius for

arranging and contriving mysteries and a good deal of what may be called galvanic power There is a sort of unearthly and deadly look about the heroes and heroines of his narrative and though it is necessary for the purpose of the plot that they should keep moving we feel that every one of their motions is due not to a natural process but to the sheer force and energy of the author's will They dodge each other up and down the stage after the manner of puppets at a puppet show and after watching their twistings and turnings from first to last we come away full of admiration of the strings and the unseen fingers that are directing everything from behind the curtain An ordinary novelist would let the villains murder their intended victim at once and have done with it Not so Mr Wilkie Collins A hundred agencies are brought into play to suspend our interest through this long volume Spies detective officers lawyers and two or three virtuous and watchful amateurs counterplot day and night against the villains Each dogs the other till he is tired and when he is tired the other dogs him They overhear each other's secrets from behind trees or lurk unsuspected under windows keeping diaries sometimes of their proceedings To heighten the absorbing interest of this contest of intelligences railways telegraphy post offices presentiments and dreams are freely used and the wonders of science do duty side by side with the marvels of the supernatural world As a whole the effect is clever powerful and striking though grotesque monotonous and to use a French word bizarre There can be no mistake about the talent displayed What strikes one as wanting is that humor which is the salt of all great genius and that sense of proportion and beauty which is the soul of all real art

Treasure of the Mind J. Michaels, 2009-08-01 In the late summer months of 2000 on a cool dark night in the foothills of Boulder Colorado a seventeen year old boy was murdered by a young man he once considered his best friend The calamity nearly crippled the boy's parents especially the father who struggled mightily with grief anger and guilt With the help of a very special elderly sage the father of the boy struggled to survive the tragedy and recover from the heartbreaking ordeal The story begins with the funeral of Michael's son reveals the pain of a grief stricken father on the verge of self destruction and ends with his redemption and return to a meaningful life Michael is referred by a close friend to an elderly gentleman named Solomon Solomon is a wise irreverent white haired seer living in the small coastal village of Carlsbad California where he teaches his own very special brand of spiritual therapy for lost souls His office is a coffee shop and the beach where he and Michael meet and together try to find a way to recover Michael's lost life after his son's death The relationship that develops between Michael and Solomon reaches a depth rarely found between two men
