Lewis, Alice L. Lewis, 2023-02-09 This is a book written so people could get to know more about who Cain was as most only know him as the man who killed his brother Abel The book engages in a plausible forensic study of Cain s character and explores his humanity This study is not dogmatic but provides probability to help determine who he may have been and how his life has impacted many The writers used Scriptures to aid in mapping a possible psyche which led to the following questions Was there a sibling rivalry Was there possible animosity or jealousy What was his childhood like and how did he relate to his other siblings Most importantly what kind of relationship did he have with his twin brother Abel This book is not written as a rewrite of biblical Scripture or to create sympathy for Cain but written to explore his conceivable personality Here is the case for Cain You be the judge Now , 1903 **Misbehavin' a to Z** Carol M. Hoffman EdD, 2017-09-29 All of us are social creatures we need and want others in our lives However too often we feel we dont fit or belong anywhere When people dont feel they belong or fit in they misbehave We have learned how not to behave and we are very good at it We need common sense approaches to improving relationships among all age groups and cultures Common sense approaches ideas and tried and true methods abound in the book There are stories to tell about real people Some will make us laugh and some will make us want to think more deeply about the way we are living our lives and developing long term relationships Learning more about ourselves is essential to becoming a happier better behaved person Learning about others through stories the Four Goals of Misbehavior and family dynamics can lighten the load
