Seeking Life Esther de Waal, 2017-11-27 In *Seeking Life* The Baptismal Invitation of the Rule of St Benedict renowned author Esther de Waal returns to the Rule of Saint Benedict the inspiration for *Seeking God* her classic book published twenty five years ago Here she focuses on the prologue to the Rule and shows how it contains the clues we need to both understand and live by the vows made at our baptism Baptism is so fundamental to our Christian identity that many congregations renew their baptismal promises each year on Easter Yet how well do we understand the spirit and depth of those vows How much do they shape our daily lives Parts of the Rule of Saint Benedict are believed to be based on addresses given to those about to be or who had recently been baptized they are a practical guide to choosing the road that leads to life With her characteristic insight and wisdom Esther de Waal draws out enduring spiritual teaching on how to live when reborn of water and the spirit

Benedictine Monachism, Second Edition Cuthbert Butler, 2005-10-07 St Benedict's Rule has been one of the great facts in the history of western Europe and its influence and effects are with us to this day This being so it is surely strange that as I believe the Rule has never yet been made the object of an historical study setting forth on an extended scale its principles and its working Commentaries there are explaining it chapter by chapter but so far as I

know there is no systematic exposition of what may be called the philosophy the theory of the Benedictine rule and life no explanation of the Benedictine spirit and tradition in regard either to its inner life or its outward manifestations The present volume is an effort to supply this want It consists of a connected series of essays covering the most important aspects of Benedictine life and activities It is addressed of course primarily to Benedictines but it should appeal to wider circles to students of the history of religion and civilisation in western Europe as an account of one of the most potent factors in the formation of our modern Europe during a long and important phase of its growth and also in a special way to those scholars and students who hold the Benedictine name in veneration from the Preface *Crossing 2nd Edition* Mark Barrett,2008-03

The Benedictine tradition of praying the divine hours prayers said at specific times of the day helps Christians reclaim the landscape of human living Barrett focuses on five of the monastic hours illuminating the spiritual journey and choices one must make **A Life-Giving Way** Esther De Waal,2014-04-25 This reflective commentary explores the Rule of St Benedict from the perspective of someone whose life and faith has been shaped by its gentle wisdom and realism Its approach is personal and contemplative it is written for all who seek to deepen their Christian understanding and discipleship

The Joy of Advent with Saint Benedict John R. Fortin,2010 The Meaning and Celebration of Advent I have heard it said many times that Christmas is for children As someone who is moving past the middle age years and who has always been very fond of Christmas I can only say I hope not I hope that Christmas is truly a festival of light and happiness for everyone Yet I also think that Christmas for young and old and middle aged alike is only celebrated well when the beautiful season of Advent is truly entered into as a time of preparation in joyful hope for the coming of our Savior Jesus Christ from The Joy of Advent with Saint Benedict Open your hearts during this Advent season and prepare for the celebration of Christmas with Saint Benedict Inside you will find for every day of Advent and Christmas the daily Gospel Reading a selection from the Rule of Saint Benedict a reflection and a prayer Also included are chapters on Saint Benedict the Meaning and Celebration of Christmas and the O Antiphons May you have a joyful Advent and a blessed Christmas Monk Habits for Everyday People Dennis L. Okholm,2007-12-01 In their zeal for reform early Protestant leaders tended to throw out Saint Benedict with the holy water That is a mistake writes Dennis Okholm in Monk Habits for Everyday People While on retreat in a Benedictine abbey the author a professor who was raised as a Pentecostal and a Baptist observed how the meditative and ordered life of a monk lifted Jesus teachings off the printed page and put them into daily practice Vital aspects of devotion humility obedience hospitality and evangelism took on new clarity and meaning Paralleling that experience Okholm guides the reader on a focused and instructive journey that can revitalize the devotional life of any Christian who wants to slow down and dig deeper
