Supreme Court Nominees

Michael Comiskey

Seeking Justices The Judging Of Supreme

Robert M. Howard, Kirk A. Randazzo

Seeking Justices The Judging Of Supreme:

The Justices, Judging, and Judicial Reputation Kermit L. Hall, 2000 First Published in 2001 Routledge is an imprint of Taylor Francis an informa company **Seeking Justices** Michael Comiskey, 2004 In the long shadows cast by the Robert Bork and Clarence Thomas nominations Supreme Court confirmations remain highly contentious and controversial This is due in part to the Senate s increasing reliance upon a much lengthier much more public and occasionally raucous confirmation process in an effort to curb the potential excesses of executive power created by presidents seeking greater control over the Court s ideological composition Michael Comiskey offers the most comprehensive systematic and optimistic analysis of that process to date Arguing that the process works well and therefore should not be significantly altered Comiskey convincingly counters those critics who view highly contentious confirmation proceedings as the norm Senators have every right and a real obligation he contends to scrutinize the nominees constitutional philosophies He further argues that the media coverage of the Senate s deliberations has worked to improve the level of such scrutiny and that recent presidents have neither exerted excessive influence on the appointment process nor created a politically extreme Court He also examines the ongoing concern over presidential efforts to pack the court concluding that stacking the ideological deck is unlikely As an exception to the rule Comiskey analyzes in depth the Thomas confirmation to explain why it was an aberration offering the most detailed account yet of Thomas s pre judicial professional and political activities He argues that the Senate Judiciary Committee abdicated its responsibilities out of deference to Thomas s race Another of the book s unique features is Comiskey s reassessment of the reputations of twentieth century Supreme Court justices Based on a survey of nearly 300 scholars in constitutional law and politics it shows that the modern confirmation process continues to fill Court vacancies with jurists as capable as those of earlier eras We have now seen the longest period without a turnover on the Court since the early nineteenth century making inevitable the appointment of several new justices following the 2004 presidential election Thus the timing of the publication of *Seeking Justices* could not be more propitious **The Development of the American Presidency** Richard J. Ellis, 2013-06-17 Our understanding of the politics of the presidency is greatly enhanced by viewing it through a developmental lens analyzing how historical turns have shaped the modern institution *The Development of the American Presidency* pays great attention to that historical weight but is organized topically and conceptually with the constitutional origins and political development of the presidency its central focus Through comprehensive and in depth coverage this text looks at how the presidency has evolved in relation to the public to Congress to the Executive branch and to the law showing at every step how different aspects of the presidency have followed distinct trajectories of change All the while Ellis illustrates the institutional relationships and tensions through stories about particular individuals and specific political conflicts Ellis s own classroom pedagogy of promoting active learning and critical thinking is well reflected in these pages Each chapter begins with a narrative account of some illustrative puzzle that brings to life a central concept A wealth

of photos figures and tables allow for the visual presentations of concepts A companion website not only acts as a further resources base directing students to primary documents newspapers and data sources but also presents interactive timelines practice quizzes and key terms to help students master the book s lessons

The Development of the American Presidency Richard Ellis,2022-05-02 A full understanding of the institution of the American presidency requires us to examine how it developed from the founding to the present This developmental lens analyzing how historical turns have shaped the modern institution allows for a richer more nuanced understanding The Development of the American Presidency pays great attention to that historical weight but is organized by the topics and concepts relevant to political science with the constitutional origins and political development of the presidency its central focus Through comprehensive and in depth coverage Richard J Ellis looks at how the presidency has evolved in relation to the public to Congress to the executive branch and to the law showing at every step how different aspects of the presidency have followed distinct trajectories of change Each chapter promotes active learning beginning with a narrative account of some illustrative puzzle that brings to life a central concept A wealth of photos figures and tables allow for the visual presentations of concepts New to the Fourth Edition Explicit and expanded attention to the role of norms in shaping and constraining presidential power with special focus on Trump s norm breaking and Biden s efforts to shore up norms Enhanced focus on the prospects for institutional reform including in the electoral college presidential relations with Congress war powers and the selection of Supreme Court justices A full reckoning with the Trump presidency and its significance for the future of American democracy presidential rhetoric the unilateral executive and the administrative state Coverage of the first year of Biden s presidency including presidential rhetoric relations with Congress and the bureaucracy use of the war powers and unilateral directives Comprehensive updating of debates about the removal power including the Supreme Court cases of *Seila Law v CFPB* and *Collins v Yellen* In depth exploration of the impact of partisan polarization on the legislative presidency and effective governance Analysis of the 2020 election and its aftermath Expanded discussion of impeachment to incorporate Trump s two impeachments Examination of presidential emergency powers with special attention to Trump s border wall declaration Review of Biden s and Trump s impact on the judiciary Assessment of Biden s and Trump s place in political time

Judges and Democratization B. C. Smith,2017-02-24 Judiciaries must be politically impartial and immune from political interference if democracy is to be consolidated in countries in transition from authoritarian rule Without an independent judiciary there can be no rule of law and without the rule of law there can be no democracy Judges and Democratization is based on the premise that democracy cannot be consolidated without the rule of law of which judicial independence is an indispensable part It pays particular attention to the restraints placed upon judicial independence and the reforms which are being applied or remain to be adopted in order to guard against the different kinds of interference which prevent judicial decisions being taken in a wholly impartial way It examines the paradox of judicial activism arising from the independence

endowed upon the judiciary by post authoritarian constitutions The book asks how in the context of this endowed authority such accountability can be made compatible with the preservation of judicial independence when the concept of an accountable independent judiciary appears to be a contradiction in terms This text will be of key interest to teachers and students of politics comparative government politics combined politics and law democracy and governance human rights and democratization and democratic development *Routledge Handbook of Judicial Behavior* Robert M. Howard, Kirk A. Randazzo, 2017-10-02 Interest in social science and empirical analyses of law courts and specifically the politics of judges has never been higher or more salient Consequently there is a strong need for theoretical work on the research that focuses on courts judges and the judicial process The Routledge Handbook of Judicial Behavior provides the most up to date examination of scholarship across the entire spectrum of judicial politics and behavior written by a combination of currently prominent scholars and the emergent next generation of researchers Unlike almost all other volumes this Handbook examines judicial behavior from both an American and Comparative perspective Part 1 provides a broad overview of the dominant Theoretical and Methodological perspectives used to examine and understand judicial behavior Part 2 offers an in depth analysis of the various current scholarly areas examining the U S Supreme Court Part 3 moves from the Supreme Court to examining other U S federal and state courts and Part 4 presents a comprehensive overview of Comparative Judicial Politics and Transnational Courts Each author in this volume provides perspectives on the most current methodological and substantive approaches in their respective areas along with suggestions for future research The chapters contained within will generate additional scholarly and public interest by focusing on topics most salient to the academic legal and policy communities **Senator from Alabama. Hearings ... on S.Res. 467 ... and S.Res. 485 ... April 13, July 9, and 10, 1931** United States. U.S. Congress. Senate. Committee on privileges and elections, 1931 **Senator from Alabama** United States. Congress. Senate. Committee on Privileges and Elections, 1932 **Law, Judges and Visual Culture** Leslie J Moran, 2020-11-12 Law Judges and Visual Culture analyses how pictures have been used to make manage and circulate ideas about the judiciary through a variety of media from the sixteenth century to the present This book offers a new approach to thinking about and making sense of the important social institution that is the judiciary In an age in which visual images and celebrity play key roles in the way we produce communicate and consume ideas about society and its key institutions this book provides the first in depth study of visual images of judges in these contexts It not only examines what appears within the frame of these images it also explores the impact technologies and the media industries that produce them have upon the way we engage with them and the experiences and meanings they generate Drawing upon a wide range of scholarship including art history film and television studies and social and cultural studies as well as law and interviews with a variety of practitioners painters photographers television script writers and producers as well as court communication staff and judges the book generates new and unique insights into making managing and viewing pictures of judges Original and insightful

Law Judges and Visual Culture will appeal to scholars postgraduates and undergraduates from a variety of disciplines that hold an interest in the role of visual culture in the production of social justice and its institutions Hearings United States. Congress Senate,1955
