

Selected Bibliography

JEAN KOCH AND ANITA YURCHYSHYN

The following bibliography lists only secondary materials, both United States and foreign, in the field of international organization and allied subjects. A listing of documents and periodicals published by various organizations can be obtained by writing directly to the organization. For their addresses consult the *Yearbook of International Organizations* (Brussels: Union of International Associations). The *United Nations Documents Index* (New York: United Nations) contains a comprehensive listing of documents from the UN and the specialized agencies. Other useful comprehensive listings are available in the *Directory of Periodicals Published by International Organizations* and the *Yearbook of International Congress Proceedings*, both published by the Union of International Associations, Brussels. Official governmental documents and other publications can be procured from the information offices of the respective countries.
