accurate time lead to what lies ahead for all of us Trip check Before leaving for a vacation trip to Florida a few years ago I had my mechanic check out our car When I dropped off the car he wrote the phrase trip check in his appointment book As he penned those words I was awakened to the profound meaning and significance of the simple phrase I knew God was getting my attention as to the due diligence I was giving to a short trip of a few days but how much consideration was I giving to the long journey upon my departure from the earth This book is to provide a trip check for our final journey from earth and beyond Expiry date Recently at work I received the following email from our IT department Your password is ready to expire in ten days please reset your password From the moment I read it I began to see a deeper meaning and get very valuable insight in the simple but short text Irrespective of one s belief status wealth knowledge origin or nationality one thing is certain and true for all of us on the earth We all have an expiry date Ironically on the other side there is no expiry date Wherever we end up it will be forever We cannot lean on our own ideology belief system character or achievements as a qualification for entry into heaven but we must accept the password that God has provided so that we end up in the right place
