Love Medicine And One Song:

Love Medicine and One Song Gregory Scofield, 2009 Description not found **Dhuuluu-Yala** Anita Heiss, 2003

Dhuuluu Yala is a Wiradjuri phrase meaning to talk straight and this book is straight talk about publishing Indigenous literature in Australia. It also includes broader issues that writers need to consider engaging with readers and reviewers. The book covers the period up to the mid 1900s though some references are included up to 2000. Changes have been made since that date however the issues identified in Dhuuluu Yala remain current and to a large extent unresolved. The history of defining Aboriginality in Australia and the experience of being Aboriginal have both impacted on the production of Aboriginal writing today. These twin themes are the major focus of the book. The pioneering roles of Aboriginal writers who have gone before and created a space has allowed for the growth of an Indigenous publishing industry. Indeed a literary and publishing culture have developed also because of the increasing desire and need for an authentic Indigenous voice in Australian literature. Although funding and other mechanisms are in place and possibilities afforded Indigenous writers have improved opportunities are still limited leading to some authors choosing to self publish.

Thunder Through My Veins Gregory Scofield, 2019-09-10 Gregory Scofield's *Thunder Through My Veins* is the heartbreakingly beautiful memoir of one man's journey toward self discovery acceptance and the healing power of art. Few people can justify a memoir at the age of thirty three. Gregory Scofield is the exception a young man who has inhabited several lives in the time most of us can manage only one. Born into a Métis family of Cree Scottish English and French descent but never told of his heritage Gregory knew he was different. His father disappeared after he was born and at five he was separated from his mother and sent to live with strangers and extended family. There began a childhood marked by constant loss poverty violence and self hatred. Only his love for his sensitive but battered mother and his Auntie Georgina a neighbor who befriended him kept him alive. It wasn't until he set out to search for his roots and began to chronicle his life in evocative award winning poetry that he found himself released from the burdens of the past and able to draw upon the wisdom of those who went before him. *Thunder Through My Veins* is Gregory's traumatic tender and hopeful story of his fight to rediscover and accept himself in the face of a heritage with diametrically opposed backgrounds.

Witness, I Am Gregory Scofield, 2016-10-01 *Witness I Am* is divided into three gripping sections of new poetry from one of Canada's most recognized poets. The first part of the book *Dangerous Sound* contains contemporary themed poems about identity and belonging undone and rendered into modern sound poetry. *Muskrat Woman* the middle part of the book is a breathtaking epic poem that considers the issue of missing and murdered indigenous women through the reimagining and retelling of a sacred Cree creation story. The final section of the book *Ghost Dance* raids the autobiographical so often found in Scofield's poetry weaving the personal and universal into a tapestry of sharp poetic luminosity. From *Killer* Scofield eerily slices the dreadful in with the exquisite. I could this day of proficient blooms take your fingers tie them down one by one.
