Stolpe,1979 *Memories Are Made of This* June Francis,2013-04-01 From one of the genre s best loved names an
enthraling historical saga set in 1950s Liverpool Liverpool 1954 Young Jeanette Walker often wonders what became of her
mother who disappeared without trace during a wartime bombing raid thirteen years before Was she killed outright or did
she run off with another man as tyrannical Great Aunt Ethel insists Embarking on a dual mission to find out what really
happened to her mother and to track down the handsome stranger who came to her rescue Jean is little prepared for the
hornets nest of family secrets and lies that her investigations will stir up *Speak Low (When You Speak Love)* Kurt
Weill,1997-11-01 Selected letters trace the relationship of the composer and actress who were married for twenty four years
Oceans of Consolation David Fitzpatrick,2019-06-30 An ocean of consolation was what one young Irish emigrant in
rural Australia called a letter from his father in County Clare in 1855 Similar strength of feeling is often found in the
intriguing letters that David Fitzpatrick has unearthed for this extraordinary collection Oceans of Consolation offers
historians and family researchers novel and sophisticated ways of reading old letters It opens to us the daily preoccupations
of ordinary women and men with little education and fewer material possessions as they try to overcome the separation from
family and friends created by emigration Fitzpatrick includes the personal correspondence of fourteen families of Irish
emigrants in the Australian colonies giving equal attention to letters to and from Australia He reproduces in full more than
one hundred letters dating from 1843 to 1906 and includes a generous selection of contemporary engravings and
photographs Fitzpatrick s detailed commentaries offer biographical narratives for all of these emigrants tracing their Irish
backgrounds and Australian careers Parting company with editors of comparable collections he pays special attention to the
words and idiom by which letterwriters expressed their everyday concerns and sought or offered reassurance and advice He
believes that personal letters provide not only unique evidence of the hopes and fears of emigrants but also an important
avenue for exploring popular Irish culture **British Books** ,1908 News Letter United States. Department of
