Red Stars David MacFadyen, 2001-03-29 David MacFadyen delves into influential and widely disseminated songs that had a profound social significance in the Soviet Union. He discusses each singer's life showing what it was that made them famous while placing the differences in their careers and fame in the context of Soviet culture as a whole. MacFadyen's multi-layered study considers national identity, gender and the development of individual celebrity in a socialist state. He also looks at whether it is possible for artists to achieve genuine self-expression in a public arena under continuous political scrutiny. Both bold and penetrating, MacFadyen reveals a part of the Soviet Union that while touching millions of people has remained almost completely unexamined.

The Audio Theater Guide Robert L. Mott, 2014-11-26 This is a comprehensive guide to audio performance: radio, voice overs, commercials, live theater, cartoons and more. [Song Sheets to Software](#) Elizabeth C. Axford, 2004-06-24 The second edition continues to be a valuable source to printed music, music software and Web sites useful to musicians and includes interesting essays on the history of printed music, copyright laws, music theory fundamentals and other topics. Many questions posed by musicians and others concerned with music production and instruction are answered with short, effective explanations, e.g. the duration of copyright, the concept of fair use, writing lead sheets, publishing music. Axford's volume will be especially useful to young musicians or others beginning a career in some aspect of music. A useful section, Web Sites for Musicians, reveals the book's currency: very few dead links were detected, attesting to careful updating from the first edition. The section Tech Talk Terms A-Z provides brief definitions for many new terms used by musicians or technology specialists. A valuable desk reference for everyone involved in the music industry.
