

'Being a NURSE means...

You will never be bored.

You will always be frustrated.

You will be surrounded by challenges.

So much to do and so little time.

*You will carry immense responsibility
and very little authority.*

*You will step into people's lives
and you will make a difference.*

Some will bless you.

Some will curse you.

*You will see people at their worst—
and at their best.*

*You will never cease to be amazed
at people's capacity for
love, courage, and endurance.*

You will see life begin—and end.

*You will experience resounding triumphs
and devastating failures.*

You will cry a lot.

You will laugh a lot.

*You will know what it is to be human
and to be humane.*

Compassion Fatigue and Burnout in Nursing, Second Edition Vidette Todaro-Franceschi, 2019-03-18

Dr Todaro Franceschi calls us to look with open eyes, open hearts and open minds at the good, the bad, the ugly and the ugliest in health care so that together we can cultivate a healthcare world in which compassion prevails and our shared humanity is embraced. It is up to all of us to hold and safeguard each other in this sacred work. Dr Todaro Franceschi helps us in this mission through this extraordinary book. Mary Koloroutis RN MSN, CEO Creative Health Care Management Minneapolis Minnesota, Co Creator of the Relationship Based Care Model. In this second edition of her seminal text, Dr Todaro Franceschi offers new insights on professional quality of life incorporating current practice, research, literature and examples to show how contentment and happiness of the nursing workforce is related to quality of care. The book provides practical strategies for dealing with a myriad of issues including compassion fatigue, burnout, moral distress, caring for the dying, PTSD and workplace violence. This resource will help empower nurses so they can create a more compassionate work environment. Written by an acknowledged expert in end of life education, professional quality of life and clinical leadership, the text addresses the complex nature of well being in the nursing workforce. Supported by research but written from a holistic and personal perspective, the text includes case studies and exercises that will help the reader to identify negative patterns and explore ways to find purpose in one's life. New to the Second Edition: Expanded emphasis on how workforce well being contributes to care quality. Updated resources and information on national nursing initiatives related to professional quality of life. New chapter on workplace violence, incivility, bullying and mobbing. New chapter on education related to improving PQOL and work environment. Provides a Nurse Leaders Resource Toolkit to guide staff education. Key Features: Articulates an ethic of care developed from a transdisciplinary perspective. Increases nurse awareness of issues that might be hindering their PQOL. Provides strategies for enhancing staff contentment and productivity thereby promoting a healthy work environment. Includes real life examples from critical care.
