Ruttenberg,2016-04-19 How our experiences as parents can become the path to transcendence The Spiritual Life - Grow & Nurture Your Soul and Relationships Kelly Wallace,2018-09-01 The subject of spirituality is huge It s also different from one person to the next But every human on this planet has something in common They want to be happier and healthier It seems like it should be such a simple thing to pursue yet so few accomplish it in any big way Why is it so difficult Because up to this point you ve been attracting negative people or events or being stagnant or riding a roller coaster of highs and lows In this short book I ll show you how to grow and nurture your soul and relationships It doesn t take a lot of time or effort to do it either Honestly it s as easy as changing a few habits and your current ways of thinking It s like switching a light from off to on Soon you ll see life and everything in it more clearly Goals will be easier to pursue Relationships will transform or fall away as needed Money and success will flow steadily as you live a spiritual life Champion Hearts Thando Mgenge,2013-04 This is not the book about wealth and prosperity It is not aimed at solving every problem on earth While attempting to enlighten Christians about false preaching it does not discard the promises of the Lord for those whose hope is in Him The gist of the book is simple a dream born of the Lord can never be changed by circumstances The precepts that guide Christian living never change because of one s condition at a particular point in time God expects us to be obedient to His commands so that we can achieve and bless mankind accordingly More importantly life is centered in the heart If the same heart has been tempered with and no remedial process has happened the heart remains restless
