Persia Seyyed Hossein Nasr, Roloff Beny, 1975* **In Search of the Sacred** Seyyed Hossein Nasr, Ramin
Jahanbegloo, 2010-07-14 In this book a series of interviews offers an accessible revealing human and intellectual biography of
leading Islamic scholar Seyyed Hossein Nasr Seyyed Hossein Nasr is one of the preeminent philosophers writing today Sure
to be a key resource for decades to come In Search of the Sacred A Conversation with Seyyed Hossein Nasr on His Life and
Thought illuminates Nasr s experiences and shares his insights on topics from religion and philosophy to science and the arts
Based on a series of interviews the book combines traditional autobiography with an exploration of the intellectual and
spiritual trajectories of the author s thought during key periods of his life In doing so it presents a fascinating panorama not
only of the life and ideas of one man but also of major events ranging from intellectual life in Iran during the Pahlavi period
and the Iranian Revolution to some of the major religious and intellectual debates between Islam and modernism Nasr writes
that his whole life has been a quest for the sacred This work connects that quest with some of the most important issues of
the day in encounters between Islam and the West **Religion and the Order of Nature** Seyyed Hossein Nasr, 1996 Nasr
argues that the current ecological crisis has been exacerbated by the reductionist view of nature that has been advanced by
modern secular science What is needed he believes is the recovery of the belief that nature is sacred *This Heavenly Wine*
, 2014-11-30 Heartopening poetry of longing and love from the last great poet in the classical Persian tradition Following in
the footsteps of the Persian mystical poets Rumi Hafez Nizami and others the timeless works in this collection express the
poet s overwhelming devotion to and longing for the Divine Beloved *Martyrdom and Ecstasy* Sylwia
Surdykowska, 2012-04-25 The book is concerned with one of the most important issues in Persian culture that is to say a
broadly conceived idea of sacrifice and martyrdom At present it is contained in the concept of shahadat which arouses much
controversy in the Western world today In successive chapters the author discusses the origin and evolution of this concept
in Persian culture the process of shaping attitudes conducive to the attainment of readiness for shahadat and the role of this
concept in propaganda as well as presenting its modern day interpretation The basic research material was provided by
political and religious publications of contemporary Iranian authors including Ali Shari ati Morteza Motahhari Ruhollah
Khomeini and Abdolkarim Soroush who have exerted a significant influence on the formation of the Iranian consciousness
The book is an interdisciplinary publication The author refers to philology literary studies cultural anthropology social
psychology and interestingly to the psychology of emotions in order to explicate the traditional Persian system of upbringing
and shaping the readiness for martyrdom and sacrifice The book shows the idea of shahadat as part of the Persian cultural

paradigm which due to religious and literary tradition has influenced the shaping of Iranian identity over the centuries and as a result it has affected social and political attitudes of the Iranian people The book is mainly directed to Iranologists Nevertheless it will also be of interest to anthropologists psychologists of culture sociologists and philosophers due to its interdisciplinary character

Saffron Sky Galareh Asayesh, 2000-10-19 This lyrical memoir evinces the author's passion for constructing an American life with the spiritual fervor and deeply aesthetic rituals that were part of her childhood in Iran Asayesh who immigrated to North Carolina as a girl writes too of her struggle to arrive at an acceptable sexuality in the face of parental panic and tells of her frustration during later trips to post Shah Iran with the sisters the Ayatollah's ubiquitous enforcers of female modesty
