Jung as a Writer Susan Rowland, 2013-12-16 Jung as a Writer traces a relationship between Jung and literature by analysing his texts using the methodology of literary theory This investigation serves to illuminate the literary nature of Jung's writing in order to shed new light on his psychology and its relationship with literature as a cultural practice Jung employed literary devices throughout his writing including direct and indirect argument anecdote fantasy myth epic textual analysis and metaphor Susan Rowland examines Jung's use of literary techniques in several of his works including *Anima and Animus* *On the Nature of the Psyche* *Psychology and Alchemy* and *Synchronicity* and describes Jung's need for literature in order to capture in writing his ideas about the unconscious Jung as a Writer succeeds in demonstrating Jung's contribution to literary and cultural theory in autobiography gender studies postmodernism feminism deconstruction and hermeneutics and concludes by giving a new culturally orientated Jungian criticism The application of literary theory to Jung's works provides a new perspective on Jungian Psychology that will be of interest to anyone involved in the study of Jung Psychoanalysis literary theory and cultural studies

The Cambridge Companion to Jung Polly Young-Eisendrath, Terence Dawson, 2008-05-01 This second edition represents a wide ranging critical introduction to the psychology of Carl Jung one of the founders of psychoanalysis Including two new essays and thorough revisions of most of the original chapters it constitutes a radical assessment of his legacy Andrew Samuels introduction succinctly articulates the challenges facing the Jungian community The fifteen essays set Jung in the context of his own time outline the current practice and theory of Jungian psychology and show how Jungians continue to question and evolve his thinking and apply it to aspects of modern culture and psychoanalysis The volume includes a full chronology of Jung's life and work extensively revised and up to date bibliographies a case study and a glossary It is an indispensable reference tool for both students and specialists written by an international team of Jungian analysts and scholars from various disciplines

The American Father Onscreen Toby Reynolds, 2021-12-21 The American father is constantly depicted by contemporary Hollywood as being under pressure and forever struggling but why By utilising an analytical psychological approach this fascinating book reveals the depths complexities and nuances of the depictions of the American father and his struggles with contemporary contextual challenges and offers a fresh and intellectually exciting set of perspectives and interpretations of this key masculine figure and his effect on cinematic masculinities Using a post Jungian methodology and close textual analysis the book seeks to explore the presence and impact of the American filmic father and the effect his Shadow has on himself his children and US society It does this by examining

the concept of father hunger a term popularised by the mytho poetic men s movement that holds fathers to be an essential link to the masculine continuum and masculinity in general Analysing the role that Hollywood plays in depicting fathers and their relationships with their children and American society *The American Father Onscreen* concludes that Hollywood presents the American paternal as crucial to the construction of US society and consequently American cultural myths such as the American Dream Providing an alternative perspective into the fascinating complex and under researched figure of the American father this book will be of great interest to academics and students of film gender studies American studies and post Jungian psychology

The Child That Haunts Us Susan Hancock, 2016-02-04 *The Child That Haunts Us* focuses on the symbolic use of the child archetype through the exploration of miniature characters from the realms of children s literature Jung argued that the child archetype should never be mistaken for the real child In this book Susan Hancock considers how the child is portrayed in literature and fairytale and explores the suggestion from Jung and Bachelard that the symbolic resonance of the miniature is inversely proportionate to its size We encounter many instances where the miniature characters are a visibly vulnerable other yet often these occur in association with images of the supernatural as the desired or feared object of adult imagination In *The Child That Haunts Us* it is emphasised that the treatment by any society past or present of its smallest and most vulnerable members is truly revealing of the values it really holds This original and sensitive exploration will be of particular interest to undergraduate and postgraduate students as well as academics engaged in Jungian studies children s literature childhood studies and those with an interest in socio cultural constructions of childhood

Cult TV Heroines Catriona Miller, 2020-10-29 From Mrs Peel to the first female Doctor Who this book offers a timely focus on the popular phenomenon of the cult TV heroine The enduring phenomenon of cult TV itself is carefully explored through questions of genre the role of the audience and the external environment of technological advances and business drivers Catriona Miller then suggests a fresh account of the psychological dimension of the phenomenon utilising Carl Jung s concepts of the transcendent function and active imagination Her analysis of the heroines themselves considers the workings of the audio visual text alongside narrative and character arcs exploring the complex and contradictory ways in which the heroines are represented Established cult TV favourites such as Buffy the Vampire Slayer The X Files and Xena Warrior Princess are examined alongside more recent shows such as Chilling Adventures of Sabrina Jessica Jones and American Horror Story Coven

Tim Burton: The Monster and the Crowd Helena Bassil-Morozow, 2013-12-16 Tim Burton s films are well known for being complex and emotionally powerful In this book Helena Bassil Morozow employs Jungian and post Jungian concepts of unconscious mental processes along with film semiotics analysis of narrative devices and cinematic history to explore the reworking of myth and fairytale in Burton s gothic fantasy world The book explores the idea that Burton s lonely rebellious monstrous protagonists roam the earth because they are unable to fit into the normalising tendencies of society and become part of the crowd Divided into six chapters the book considers the concept of the archetype

in various settings focusing on the child the monster the superhero the genius the maniac the monstrous society Tim Burton The Monster and the Crowd offers an entirely fresh perspective on Tim Burton s works The book is essential reading for students and scholars of film or Jungian psychology as well as anyone interested in critical issues in contemporary culture It will also be of great help to those fans of Tim Burton who have been searching for a profound academic analysis of his works

Jungian Film Studies Helena Bassil-Morozow, Luke Hockley, 2016-11-25 Jungian film studies is a fast growing academic field but Jungian and post Jungian concepts are still new to many academics and film critics Helena Bassil Morozow and Luke Hockley present Jungian Film Studies The Essential Guide the first book to bring together all the different strands issues and arguments in the discipline and guide the reader through the various ways in which Jungian psychology can be applied to moving images Bassil Morozow and Hockley cover a range of Jungian concepts including the collective unconscious archetypes the individuation process alchemy and signs and symbols showing how they can be used to discuss the core cinematic issues such as narrative structure gender identity genre authorship and phenomenology The authors argue that as a place where the unconscious and conscious meet cinema offers the potential for imagery that is psychologically potent meaningful and that plays a role in our personal psychological development This much needed book which bridges the space between Jungian concepts and traditional film theory will be essential reading for scholars and students of Analytical Psychology psychoanalysis Jungian film studies media film and cultural studies psychosocial psychology and clinical psychology It will also appeal to analytical psychologists psychotherapists and readers with an interest in film analysis

The Routledge International Handbook of Jungian Film Studies Luke Hockley, 2019-12-09 Winner of the IAJS award for best edited book of 2018 The Routledge International Handbook of Jungian Film Studies weaves together the various strands of Jungian film theory revealing a coherent theoretical position underpinning this exciting recent area of research while also exploring and suggesting new directions for further study The book maps the current state of debates within Jungian orientated film studies and sets them within a more expansive academic landscape Taken as a whole the collection shows how different Jungian approaches can inform and interact with a broad range of disciplines including literature digital media studies clinical debates and concerns The book also explores the life of film outside cinema what is sometimes termed post cinema offering a series of articles exploring Jungian approaches to cinema and social media computer games mobile screens and on line communities The Routledge International Handbook of Jungian Film Studies represents an essential resource for students and researchers interested in Jungian approaches to film It will also appeal to those interested in film theory more widely and in the application of Jung s ideas to contemporary and popular culture

The Archetypal Pan in America Sukey Fontelieu, 2018-05-20 The Archetypal Pan in America examines the complex moral and ethical dilemmas that Americans have had to face over the last few decades including the motivations for the Vietnam War who was in control of women s productive rights how to extend civil rights to all protests for the historically unapologetic narrative of the genocide of Native Americans and the growing number of school shootings since the Columbine massacre Fontelieu suggests that the emotional pain these issues created has not resolved and that it continues to surface in the guise of new issues but with a similar dysfunctional pattern The book argues that this pattern acts in the culture in the same manner as a psychological defense system stimulating fight flight or freeze reactions requiring great stores of energy when activated and deflecting attention from other areas Relying on Jung s theory of the applicability of myth to psychological problems and the post Jungian theory of cultural complexes the myths of the Greek god Pan are used to scaffold a metaphor that informs this pattern Fontelieu proposes that rather than looking inward as a culture for how to accept its changing role in a global world this pattern reinforces dysfunctional emotional responses to the reoccurring traumas of modernity responses such as an increase in the magnetic appeal of hypermasculinity or choosing to remain naively self absorbed The Archetypal Pan in America will be of great interest to Jungian analysts and scholars of depth psychology as well as academics and postgraduate students studying psychology foreign studies literary criticism politics and cultural studies

Post-Jungian Psychology and the Short Stories of

Ray Bradbury and Kurt Vonnegut Steve Gronert Ellerhoff, 2016-02-22 In this book Steve Gronert Ellerhoff explores short stories by Ray Bradbury and Kurt Vonnegut written between 1943 and 1968 with a post Jungian approach Drawing upon archetypal theories of myth from Joseph Campbell James Hillman and their forbearer C G Jung Ellerhoff demonstrates how short fiction follows archetypal patterns that can illuminate our understanding of the authors their times and their culture In practice a post Jungian mythodology is shown to yield great insights for the literary criticism of short fiction Chapters in this volume carefully contextualise and historicize each story including Bradbury and Vonnegut s earliest and most imaginatively fantastic works The archetypal constellations shaping Vonnegut s early works are shown to be war and fragmentation while those in Bradbury s are family and the wholeness of the sun Analysis is complemented by the explored significance of illustrations that featured alongside the stories in their first publications By uncovering the ways these popular writers redressed old myths in new tropes and coined new narrative elements for hopes and fears born of their era the book reveals a fresh method which can be applied to all imaginative short stories increasing understanding and critical engagement Post Jungian Psychology and the Short Stories of Ray Bradbury and Kurt Vonnegut is an important text for a number of fields from Jungian and Post Jungian studies to short story theories and American studies to Bradbury and Vonnegut studies Scholars and students of literature will come away with a renewed appreciation for an archetypal approach to criticism while the book will also be of great interest to practising depth psychologists seeking to incorporate short stories into therapy

Science Fiction in Classic Rock Robert McParland, 2017-11-29 As technology advances society retains its mythical roots a tendency evident in rock music and its enduring relationship with myth and science fiction This study explores the mythical and fantastic themes of artists from the late 1960s to the mid 1980s including David Bowie Pink Floyd Jefferson Airplane Blue Oyster Cult Iron Maiden Led Zeppelin and Black Sabbath Drawing on insights from Joseph Campbell J G Frazer Carl Jung and Mircea Eliade the author examines how performers have incorporated mythic archetypes and science fiction imagery into songs that illustrate societal concerns and futuristic fantasies

David Mitchell's Post-Secular World Rose Harris-Birtill, 2019-01-10 Since the publication of *Ghostwritten* 1999 David Mitchell has rapidly established himself as one of the most inventive and important British novelists of the 21st century In this landmark study Rose Harris Birtill reveals the extent to which Mitchell has created an interconnected fictional world across the full run of his writing Covering Mitchell s complete fictions from bestselling novels such as *Cloud Atlas* 2004 *The Bone Clocks* 2014 and *number9dream* 2001 to his short stories and his libretti for the operas *Sunken Garden* and *Wake* this book examines how Buddhist influences inform the ethical worldview that permeates his writing Using a comparative theoretical model drawn from the Tibetan mandala to map Mitchell s fictional world Harris Birtill positions Mitchell as central to a new generation of post secular writers who re examine the vital role of belief in galvanizing action amidst contemporary ecological political and humanitarian crises David Mitchell s *Post Secular World* features two substantial new interviews with the author a chronology of his fictions and a
