John Edmond McLeod

Power And Control Escape From Violence:

Power and Control Donald W. Tiffany, Phyllis G. Tiffany, 2000 In *Power and Control* the authors assert that the absence or abundance of control by individuals causes problems in relationships political systems and international relations The book deals with the relationship between power and control as it affects individuals and nations Through the use of Experienced Control Theory the authors illustrate how control varies as a function of different contexts including situations involved in work stress gangs road rage domestic violence schoolyard killings serial killings hate crimes and war They argue that understanding control balance provides the tools for learning responsible behavior Built on the foundation of published research that spans more than 35 years *Power and Control* offers a compass to individuals families and nations to find alternatives to violence

Theory Conspiracy Frida Beckman, Jeffrey R. Di Leo, 2023-09-08 *Theory Conspiracy* provides a state of the art collection that takes stage on the meeting and or battlegrounds between conspiracy theory and theory asconspiracy By deliberately scrambling the syntax conspiracy theory cum theory conspiracy it seeks to open a set of reflections on the articulation between theory and conspiracy that addresses how conspiracy might rattle the sense of theory as such In this sense the volume also inevitably stumbles on the recent debates on postcritique The suspicion that our ways of reading in the humanities have been far too suspicious if not paranoid has gained considerable attention in a humanities continuously questioned as superfluous at best and leftist and dangerous at worst The chapters in this volume all approach this problematic from different angles It features clear engaging writing by a set of contributors who have published extensively on questions of paranoia conspiracy theory and or the state of theory today This collection will appeal to readers interested in conspiracy theories critical theory and the future of humanities

Coercive Control Evan Stark, 2009-03-01 One of the most important books ever written on domestic violence Coercive Control breaks through entrenched views of physical abuse that have ultimately failed to protect women Evan Stark founder of one of America's first battered women's shelters shows how domestic violence is neither primarily domestic nor necessarily violent but a pattern of controlling behaviors more akin to terrorism and hostage taking Drawing on court records interviews and FBI statistics Stark details coercive strategies that men use to deny women their very personhood from beeper games to food logs to micromanaging dress speech sexual activity and work Stark urges us to move beyond the injury model and focus on the real victimization that allows men to violate women's human rights with impunity Provocative and brilliantly argued Coercive Control reframes abuse as a liberty crime rather than a crime of assault and points the way to bringing real equality for women in line with their formal rights to personhood and citizenship freedom and safety

Sovereignty, Power, Control John Edmond McLeod, 2023-07-31 Between 1916 and 1947 power structures in present day Gujarat were determined by three political factors the princes of these states of Western India the nationalist politicians and the British paramount power This book pictures the patterns of interaction between the three agents The author first defines the interests of the three parties In several case studies it becomes clear how their relationship was shaped by the typical pursuit of sovereignty by the rulers power by the politicians and control by the British Essential topics such as the princes right to collect duty on imported goods the debate over the tiny states in the Gujarat the British policy towards youthful princes and the honours system are carefully explored This thorough study offers the opportunity to gain a clear understanding of the mechanics of political interaction in princely India This is the first major scholarly contribution to an until now largely ignored field of interest

Anti-Discriminatory Practice in Counselling & Psychotherapy Colin Lago, Barbara Smith, 2010-10-01 Rev ed

of Anti discriminatory counselling practice 2003 *Television and Social Behavior: Media content and control* John P. Murray, Eli Abraham Rubinstein, George A. Comstock, 1972 Entertaining Fear Catherine Chaput, Mary Jean Braun, Danika Margo Brown, 2010 At the heart of how citizens governments and the media interact is the communication process a process that is undergoing tremendous change Never has there been a time when confronting the complexity of these evolving relationships has been so important to the maintenance of civil society This series seeks books that advance the understanding of this process from multiple perspectives and as it occurs in both institutionalized and non institutionalized political settings **Understanding Animal Abuse and How to Intervene with Children and Young People** Gilly Ferreira, Joanne Williams, 2023-03-31 Understanding Animal Abuse and How to Intervene with Children and Young People offers a positive compassion based and trauma informed approach to understanding and intervening in animal abuse It provides an accessible cross disciplinary synthesis of current international evidence on animal abuse and a toolkit for professionals working with people and or animals to help them understand prevent and intervene in cases of animal abuse With contributions from experts in the field this essential text offers ten user friendly chapters with questions for reflection and key summary points It offers a definition of animal abuse synthesises the latest research on children young people and animal abuse explores the link between animal abuse and other forms of abuse and outlines legal perspectives on animal abuse The second half of the book presents a practical toolkit for professionals offering guidance and strategies for the prevention of and intervention in cases of animal abuse It provides multidisciplinary perspectives on interventions from teachers and social workers roles in detection and intervention of childhood animal abuse to the roles of enforcement agencies and veterinarians in legal cases of adult animal abuse Together with a final chapter proposing new directions for research policy and practice this guide is for all who work with children young people and or animals including psychologists social workers veterinarians education professionals and animal welfare educators It is also a key reading for those involved in legal and policy issues relating to animal welfare Rape Culture, Purity Culture, and Coercive Control in Teen Girl Bibles Caroline Blyth, 2021-02-10 In this fascinating book Caroline Blyth takes a close look at Bibles marketed to teen girls and asks how these might perpetuate harmful gender stereotypes that lie at the heart of rape culture The author considers the devotionals commentaries and advice sections placed throughout these Bibles which offer teen girl readers life advice on topics such as friendships body image and how to navigate romantic relationships Within these discussions there is a strong emphasis on modesty purity and sexual passivity as markers of young women s godliness Yet as the author argues these gendered ideals are prescribed to readers using rape supportive discourses and the tactics of coercive control Moreover the placement of these various editorial inserts within the pages of sacred scripture gives them considerable power to reinforce deeply harmful ideologies about gender sexuality and sexual violence Given the seeming popularity of these Bibles among Christian teen girls the need to dismantle their damaging rhetoric is especially urgent This book will be of particular interest

to those studying the Bible religion gender and theology as well as the general reader *Domestic Partner Abuse* Claire Renzetti, L. Kevin Hamberger, 2004-01-01 This volume makes a signal contribution to understanding and treating couples abuse The editors and contributors expand the models of abusive relationships to include the special concerns of gay and lesbian couples mutually violent partners abusive women and others Based on a special issue of the respected journal *Violence and Victims* the book shatters myths surrounding domestic violence and sheds new light on a complex social problem This volume will be a resource for counselors therapists and social workers concerned with domestic violence as well as for students and educators in the field **Planetary Solidarity** Grace Ji-Sun Kim, Hilda P. Koster, 2017-08-23

Planetary Solidarity brings together leading Latina womanist Asian American Anglican American South American Asian European and African woman theologians on the issues of doctrine women and climate justice Because women make up the majority of the world's poor and tend to be more dependent on natural resources for their livelihoods and survival they are more vulnerable when it comes to climate related changes and catastrophes Representing a subfield of feminist theology that uses doctrine as interlocutor this book asks how Christian doctrine might address the interconnected suffering of women and the earth in an age of climate change While doctrine has often stifled change it also forms the thread that weaves Christian communities together Drawing on postcolonial ecofeminist womanist analysis and representing different ecclesial and denominational traditions contributors use doctrine to envision possibilities for a deep solidarity with the earth and one another while addressing the intersection of gender race class and ethnicity The book is organized around the following doctrines creation the triune God anthropology sin incarnation redemption the Holy Spirit ecclesiology and eschatology

Intercultural Perspectives on Family Counseling Brian Canfield, 2020-01-21 *Intercultural Perspectives on Family Counseling* expands cultural awareness in the practice of family counseling by offering cultural specific perspectives for addressing common issues that emerge in dyadic marital and family relationships around the globe The topics illuminated in the book serve to sharpen cultural mindfulness and expand the reader's knowledge and understanding of intercultural family counseling issues Each chapter examines a couple or family related clinical issue offering clinical intervention strategies within the context of a specific cultural population By representing various national and cultural identities this book showcases a transcultural understanding of family Students and practicing marriage and family counselors and therapists will benefit greatly from this clinical resource that exposes them to the similarities and differences in addressing client issues across cultures
