**The Love Orb The Final Book in the B.E.R. Series & the Dawn of a New Age** Michael Stansfield,2019-08-02 The Love Orb is the authors evolution beyond constitutional government It draws heavily on the works that came before it and then passes that evolution on to humanity Thus it represents the end of the series but the beginning of an era **Hiraeth** Michael Stansfield,2016-08-10 As human beings we know what home is or for some of us the hope or ideal of what home should be friends family nostalgia all interlaced through love It is an emotional spiritual and physical connection to a place that goes beyond the superficial level In the broad sense I ask you the reader Is this world your home If you are honest with yourself you must confess it doesn't always feel like home This path that you are about embark upon the journey of my soul to discover humanity's home Not a home exclusively for one race religion or political creed but a home for all each accepted as members of one family and one creation **Anthology of the Biblical Revolution Evolution Series** Michael Stansfield,2020-02-13 As primitive civilization developed society has established cornerstones in our thought and reasoning Things we are told repeatedly as fact from birth and are thus believed instinctively Many of these cornerstones now date back many millennia such as the Bible The BER Series takes a candid look into the Bible to explore how the theological beliefs within Institutional Religion have affected society in diabolical ways These books also challenge the church's theological cornerstones to prove that they deviate from the Bible and truly have an obscured understanding of the Divine Thus the goal is to bring an overdue debate to organized religion The hope is to remove the barriers that deny humanity the evolution of our species No topic is out of bounds A person could listen to ten lifetimes of sermons and never get even a fraction of the candor of these books Love them or hate them you will be unable to put them down and you will never see the World or the Divine the same way again **The Apocalypse Explained** Jimmie Chapman,2015-09-28 The word apocalypse comes from the Greek word apokalupsis which means to disclose uncover or reveal hence we get the name Revelation the last book of the Bible The book of the Revelation is given to uncover or disclose the meaning of some of the great mysteries of the Bible The Apocalypse Explained uncovers many of those mysteries by using the Bible itself to find their meaning This is the most accurate way of interpreting biblical prophecies The purpose of The Apocalypse Explained is to connect the prophecies throughout the Bible with our present and with our future In fact the very first verse of the Revelation of Christ reveals its purpose to show unto his servants things which must shortly come to pass The majority of the book is for the last days the time the Bible calls the great tribulation The fulfillment of the Apocalypse is much closer to a reality than most people believe Are you ready **The Coming of the Antichrist: Showing from Holy Scripture the Marks of Identification by which He May be Recognised; and that the Second Personal Advent of ... Jesus Christ is Nigh at Hand**,1873 *The Planet of the Ten Kings Part 2 of Enlightenment in the Biblical Evolution Revolution Series* Michael Stansfield,2019-07-31 Part 2 of Enlightenment looks at the dreams of the Capitalist and how to achieve the privatization of

government entirely through a completely new form of economic and governmental system The system itself is centered on local government and empowers it on an unprecedented scale Solutions are taken from Jefferson s Anti Federalist arguments against the constitution The Constitution is also heavily used One may view it as an evolution of the US Constitution Arguments are provocative and thought provoking Anyone who has pondered what the next evolution of government may look like would love this book     *A Complete Harmony of Daniel and the Apocalypse* Josiah LITCH,1873     **Adam (the Oneness of Humanity) Part 3 of Enlightenment in the Biblical Evolution Revolution Series** Michael Stansfield,2019-07-31 Part 3 of Enlightenment looks at solutions to unite our fractured humanity ultimately resulting in global government and world peace Dedicated to the socialist it shows how all the philosophies are interconnected and needed Solutions to homelessness poverty universal healthcare and others are introduced through a new evolve form of communism where work is accomplished through a volunteer arrangement where all needs are provided by the state The educational system rather than greed is used as an incentive for performance Concepts of Buddhism Hinduism and Taoism are also introduced in this latest work and intertwined with the God of the Bible The book itself provides a whole new philosophy for seeing the world that will blow your mind     *The Great American Curse* Mickey D Glover,2013-12-07 The book of Revelation clearly tells us that someday there would be an end to this world many have tried to determine this mystery date in our future to no avail But the mystery that the date seekers and many others failed to notice is this WHY Why is so much more important than when There is no question about it this world will definitely come to an end But why is it going to end In an ancient generation of mankind God gave man his law It is called the TEN COMMANDMENTS In today s society these laws are broken every day without much notice To our own ignorance there is always a price to pay when we disobey But life goes on These laws were put into place to protect us from ourselves But there is one sin that brought our world to an end that fell through the cracks virtually unnoticed This great sin has now spread throughout the entire earth Christians and unbelievers are all involved in this sin that has now grown so large that it is actually bringing in the curse of God for the judgment of this sin that will ultimately end our world as we know it Fulfilling the prophecies of the book of Revelation In this day and time knowledge has been much increased So the sin that caused our world to end would have to be put in place in such a way as to be greatly unnoticed Such as an illusionist or magician In this book that you are about to read you will learn the greatest deception ever pulled off in the world s history and at a cost so great that it will cause the end of our world as we know it The time for this judgment has already began as early as 2007 the count down clock for the end of the world events began to tick off The Holy bible was given to mankind directly from God to tell us how life began and why our world ended     *The International Critical Commentary on the Holy Scriptures of the Old and New Testaments* Samuel Rolles Driver,Charles Augustus Briggs,1927     **The Light of Truth as Revealed in the Holy Scriptures** Levi Rightmyer,1916     *The Antichrist* Arthur W. Pink,2016-09-17 This book shows special attention to the ultimate enemy of

humankind the Antichrist By pointing out his characters genius and other attributes Pink manages with scripture to show how dangerous this man will be and what we need to look out for in this modern age **To Θηριον. A dissertation on the history of the "Beast," as derived from the prophets Daniel and John; and of that head of the Beast especially, "whose deadly wound was healed."** Maurice Cely TREVILIAN,1858 The International Critical Commentary on the Holy Scriptures of the Old and New Testaments ... ,1927 **The Vision by the Tigris** Timothy John Hayden,2006 Named after the vision that Daniel received by the Tigris River this book is a commentary of Daniel chapters 10 12 It was written for those who are interested in a detailed description of Daniel s last prophecy While modern futurist interpretations place historical portions of this prophecy into the future The Vision by the Tigris breaks new ground by clarifying those historical sections that have never been properly understood Especially significant is its interpretation of Daniel 11 23 30 Here the author shows that these verses identify spiritual powers after Jesus crucifixion in verse 22 He then uses this new information to interpret the time of the end in verses 40 45 The following information is included in the book It is interspersed with quotes maps charts and timelines It gives principles for interpreting end time prophecies It uses the historicist method of interpretation It uses typology to identify the spiritual powers after Jesus crucifixion It connects Daniel 11 to other Bible prophecies It examines Daniel s experience and admonishes the reader to follow Christ It shows the prophecy s connection to Jesus and His Church It explains the ministry of Christ the New Covenant and the corruption and persecution of the Church It reveals the great men of history their kingdoms and their wars given in the vision It shows the involvement of the United States the European Union and the Moslem and Communist nations It identifies the spiritual kingdoms of Israel Babylon and Egypt at the end It unveils the conflict over God s Law explains the experience of His people and shows their victory over sin and Satan *THE REVELATION OF DANIEL CHAPTERS 11-12* Edward D. Andrews,2021-10-06 In Daniel Chapter 11 we find two kings in opposition fighting one conflict after another for power and dominion As the decades go by one will rise up while the other will fall then the other accumulates domination One king will be at the pinnacle of his rulership while the other will be subservient Then out of nowhere periods of peace Suddenly they emerge to battle once more These kings are known as the kings of the North and the South Over time they change The end is an event yet seen far removed by millenniums from the initial kings Daniel chapter 12 delves into a question Jesus asked when the Son of Man comes will he find faith on earth Lu 18 8 The close of Daniel deals with the identity of the true worshipers in the time of the end Furthermore discover when the great tribulation starts and how many years months and days it will last Andrews also offers three additional appendices to better understand Daniel and the end times APPENDIX A What Does the Bible Really Say About the Millennium APPENDIX B Authorship of Daniel Defended APPENDIX C Identifying the Antichrist *Studies on the Book of Daniel* John Nelson Darby,1864 Dictionary of the Bible James Hastings,John Alexander Selbie,John Chisholm Lambert,Shailer Mathews,1909 *Notes on some prophecies indicating the probable relation between England and Egypt*

*in the last days, by the author of Notes on Daniel vii* ,1887      A. C. Gaebelein Collection A. C. Gaebelein,2022-03-11 It is impossible to overestimate the importance of the book of Daniel It is the key to all prophecy without a knowledge of the great prophecies contained in this book the entire prophetic portion of the word of God must remain a sealed book Most interpretations of Revelation are chiefly occupied with symbols of the Book mysteries judgments promised consummation and neglect to sufficiently emphasize the person of Jesus Christ If Jesus so prominently stands at the book s center what makes the symbolism so appealing and distracting Gaebelein firmly orients the symbolism the prophecy and the apocalyptic predictions in the book of Revelation around the person of Jesus Christ The Revelation An Analysis and Exposition of the Last Book of the Bible also contains appendices on connections between Revelation and Daniel on the symbolic names in Revelation and on helpful books on prophecy in general and the book of Revelation in particular
