Retrieving Democracy In Search Of Civic Equality

Allan M. Maslove

Retrieving Democracy In Search Of Civic Equality:

Retrieving Democracy Philip Green,2023-03-31 Originally published in 1985 Retrieving Democracy offers a thorough and systematic answer to the familiar objection that genuine democracy is utopian The book outlines an imaginary yet imaginable society that would be non racist non sexist and sufficiently classless to support true civic equality Moving beyond previous discussions of re industrialization and economic democracy the book proposes the social control of corporations a democratic division of labour that would maximize equality of citizenship rather than merely the production of commodities the democratization of trade unions the equalization of wages and job opportunities and the insulation of electoral politics from the power of money

The Dissonance of Democracy Susan Bickford,2018-10-18 Although the role of shared speech in political action has received much theoretical attention too little thought has focused on the practice of listening in political interaction according to Susan Bickford Even in a formally democratic polity political action occurs in a context of conflict and inequality thus the shared speech of citizenship differs significantly from the conversations of friendly associates Bickford suggests that democratic politics requires a particular quality of attention one not based on care or friendship Analyzing specifically political listening is central to the development of democratic theory she contends and to envisioning democratic practices for contemporary society Bickford s analysis draws on the work of Aristotle and of Hannah Arendt to establish the conflictual and contentious character of politics To analyze the social forces that deflect attention from particular voices Bickford mobilizes contemporary feminist theory including Gloria Anzaldua s work on the connection between identity and politics She develops a conception of citizen interaction characterized by adversarial communication in a context of inequality Such a conception posits public identity and hence public listening as active and creative and grounded in particular social and political contexts

Arguments Against G8 Gill Hubbard,David Miller,2005-03-20 What is the G8 Every year world leaders convene for their annual summit accompanied by thousands of protestors and anti globalization activists In Genoa in 2001 street battles between police and demonstrators made world headlines as one protestor was shot This book is a one stop guide for anyone who wants to know more about the G8 what it is and why it s a problem Leading writers and activists including Noam Chomsky George Monbiot Susan George Mark Curtis and Caroline Lucas explain in brief succinct chapters what is wrong with the G8 neo liberal agenda and propose alternatives Chapters cover G8 attitudes to the key issues war corporate power climate change immigration trade debt food Ideal for anyone who is troubled by the current direction set by our world leaders this book is also a great tool for activists

Self-management and the Crisis of Socialism Michael Wayne Howard,2000 While some conclude from the revolutions of 1989 that socialism is dead interest in socialism continues because of persisting problems of contemporary capitalism In this exciting text Michael W Howard offers critiques of liberal communitarian postmodern and some Marxist perspectives in order to develop a left liberal defense of a model of self managed market socialism that includes a basic income for all Specific applications of

his view include analyses of its implications for the global marketplace the changing nature of workplaces and media restructuring and ownership This work is sure to be of interest to social scientists public policy makers and economists as well as to feminists ecologists and others concerned with how market socialism is relevant to their social issues **They Can't Represent Us!** Marina Sitrin,Dario Azzellini,2014-06-03 Mass protest movements in disparate places such as Greece Argentina and the United States ultimately share an agenda to raise the question of what democracy should mean These horizontalist movements including Occupy exercise and claim participatory democracy as the ground of revolutionary social change today Written by two international activist intellectuals and based on extensive interviews with movement participants in Spain Venezuela Argentina across the United States and elsewhere this book is an expansive portrait of the assemblies direct democracy forums and organizational forms championed by the new movements as well as an analytical history of direct and participatory democracy from ancient Athens to Zuccotti Park The new movements put forward the idea that liberal democracy is not democratic nor was it ever *Planetary Politics* Stephen Eric Bronner,2005-01-20 Global society has been analyzed in any number of ways books dealing with its economic and cultural implications flood the market But Planetary Politics highlights something unique It explores globalization with an eye on the transformation of politics into a planetary enterprise Unifying this collection is a political purpose the attempt to engage in progressive fashion the dominant trends the terrible excesses and the positive prospects in a decidedly new era marked by the transition from a corrosive interplay between nation states to a burgeoning planetary politics Bringing together the work of major scholars with national and international reputations this exciting new work offers perspectives for dealing with the complexity of power in the planetary life of the new millennium **Race and Ethnicity in Comparative Perspective** Georgia A. Persons,2018-04-24 Contradictory forces are at play at the close of the twentieth century There is a growing closeness of peoples fueled by old and new technologies of modern aviation digital based communications new patterns of trade and commerce and growing affluence of significant portions of the world s population Television permits individuals around the world to learn about the cultures and lifestyles of peoples of physically distant lands These developments give real meaning to the notion of a global village Peoples of the world are growing closer in new and increasingly important ways Nonetheless there are disturbing signs of a growing awareness of ethnic differences in all parts of the world the United States included and a concomitant rise in ethnic based conflicts many of them extraordinarily violent in nature Fear resentment intolerance and mistreatment of the other abound in world news accounts Not only does this phenomenon pose an interesting juxtaposition to the concept of the emergent global village but its emergence in the post cold war era internationally and the post civil rights era in the United States raises significant and compelling questions Why are such conflicts occurring now How do analysts explain these developments The essays in Race and Ethnicity in Comparative Perspective lucidly explore some of the complexities of the persistence and re emergence of race and ethnicity as major lines of divisiveness around the

world Contributors analyze manifestations of race based movements for political empowerment in Europe and Latin America as well as racial intolerance in these same settings Attention is also given to the conceptual complexities of multidimensional and shared cultural roots of the overlapping phenomena of ethnicity nationalism identity and ideology The book greatly informs discussions of race and ethnicity in the international context and provides an interesting perspective against which to view America's changing problem of race Race and Ethnicity in Comparative Perspective is a timely thought provoking volume that will be of immense value to ethnic studies specialists African American studies scholars political scientists historians and sociologists

Urban Africa Abdou Maliqalim Simone, Abdelghani Abouhane, 2005-05 Including case studies from Dakar Addis Ababa Cape Town Kisangani Jos Zaria Cairo and Marrakesh this text presents the complex social dynamics of human survival in African cities today

Political Obligation in a Liberal State Steven M. DeLue, 1989-07-21 The tension between the individualist view and the communalist view dominates current debate about liberal politics DeLue establishes a basis for political discourse in a liberal society an enlarged discourse that allows people of both views to be critically reflective citizens with the necessary strong sense of obligation to the state DeLue describes this enlarged culture and prescribes what the state must do to nurture it

Which Equalities Matter? Anne Phillips, 2013-07-08 Democracy and democratization are now high on the political agenda but there is growing indifference to the gap between rich and poor Political equalities matter more than ever while economic inequality is accepted almost as a fact of life It is the separation between economic and political that lies at the heart of this book

Democratic Theory as Public Philosophy: The Alternative to Ideology and Utopia Norman Wintrop, 2017-11-01 This title was first published in 2000 This text contends that there are pronounced ideological apologetic and utopian biases in how democracy is now viewed by most academic writers politicians and journalists Ideological biases result from democracy being seen in formal and procedural ways as parliaments free elections and competitive parties and pressure groups irrespective of the standards which guide or the effects produced by these procedures Utopian democrats reject this narrow empiricism for normative approaches and instead of realistic norms they offer impractical perfectionist and counter productive standards and goals As the alternative to ideology and utopia the author builds upon and draws conclusions from a realistic and normative public philosophic tradition of writing on democratic politics This tradition is explained and illustrated by critical responses to Walter Lippman's conception of public philosophy Lippman's activity as a public philosopher and the work of major democratic theorists from Alexis de Tocqueville to Giovanni Sartori

A Companion to Contemporary Political Philosophy Robert E. Goodin, Philip Pettit, Thomas W. Pogge, 2012-03-12 This new edition of *A Companion to Contemporary Political Philosophy* has been extended significantly to include 55 chapters across two volumes written by some of today's most distinguished scholars New contributors include some of today's most distinguished scholars among them Thomas Pogge Charles Beitz and Michael Doyle Provides in depth coverage of contemporary philosophical debate in all major related disciplines such as economics

history law political science international relations and sociology Presents analysis of key political ideologies including new chapters on Cosmopolitanism and Fundamentalism Includes detailed discussions of major concepts in political philosophy including virtue power human rights and just war *Democratic Theory and Technological Society* Richard B. Day, Ronald Beiner, Joseph Masciulli, 2017-07-05 What are the chief challenges posed to contemporary democracy by modern technology and how can democratic theory best respond to or at least reflect on those challenges Inhabiting the kind of technologically advanced era in which we live what sources are available within political theory for theoretical insight concerning the problem of democratic engagement with technology The purpose of this volume is to canvas a broad range of theorists and theoretical traditions in order to address these questions including Hegel and Marx Rousseau and John Dewey Heidegger and Simone Weil Habermas and Walter Benjamin Hannah Arendt and Hans Jonas Commentaries on all these important thinkers focused on the issue of contemporary technology as posing unique social and political challenges for democratic political life yields rich and ambitious resources for theoretical reflection Laclau and Mouffe Anna Marie Smith, 2012-10-12 Laclau and Mouffe *The Radical Democratic Imaginary* is the first full length overview of the important work of Ernesto Laclau and Chantal Mouffe Anna Marie Smith clearly shows how Laclau and Mouffe s work has brought Gramscian poststructuralist and psychoanalytic perspectives to revitalize traditional political theory With clarity and insight she shows how they have constructed a highly effective theory of identity formation and power relations that carefully draws from the criticism of political theory from postmodern anti foundationalist political theory Fairness in Taxation Allan M. Maslove, 1993-12-15 The papers in this volume explore the idea of distributive justice and fairness in taxation The collection begins with Head s excellent presentation and analysis of equity in the public finance literature The other authors starting from this point critique and amplify the concept from various philosophical perspectives and academic disciplines Reconstructing Karl Polanyi Gareth Dale, 2016-09-20 Shortlisted for the Deutscher Memorial Prize 2017 Karl Polanyi s contribution to political economy and social science is immeasurable In *Reconstructing Karl Polanyi* Gareth Dale foremost scholar and biographer of Polanyi provides a sweeping survey of his contributions to the social sciences An opponent of traditional economics and a believer in economics contingency to society and culture Polanyi s work has a cross disciplinary appeal finding popularity in anthropology economic history economic sociology and political science Paradoxical formulations such as liberal socialist and cosmopolitan patriot are often used to describe Polanyi s intellectual and political vision In exploring these paradoxes Dale draws upon original writings and transcripts to reconstruct Polanyi s views on a range of topics long neglected in critical literature including the history of antiquity the evolution and dynamics of Stalin s Russia McCarthyism and Polanyi s critical dialogue with Marxism Accompanying the reconstruction of his work is Dale s analysis of Polanyi s relevance to current issues notably the clash between democracy and capitalism and the nature and trajectory of European unification This proves an indispensable critical guide to Polanyian thought *Citizenship* Antonino Palumbo, 2017-03-02 Interest in citizenship has

never been greater Politicians of all stripes stress its importance as do church leaders captains of industry and every kind of campaigning group Yet despite this popularity the nature and even the very possibility of citizenship has never been more contested Is citizenship intrinsically linked to political participation or is it essentially a legal status Does it require membership of a state or is it only post national trans and possibly supra national Is it a universal value that should be the same for all or does it need to recognise gender and cultural differences This volume reproduces key articles on these debates from classic accounts of the historical development of citizenship to discussions of its contemporary relevance and possible forms in a globalizing world *What's the Matter with Liberalism?* Ronald Beiner, 2023-04-28 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1992 *Reconsidering the Democratic Public* George E. Marcus, Russell L. Hanson, 2010-11-01 **Ethnic Politics and Democratic Transition in Rwanda** David Kiwuwa, 2012-08-21 This book offers an examination of how a deeply divided post conflict society embarks on democratic transition Using Rwanda as the case study it combines analysis of democratic transition and ethnopolitical debate asking why deeply divided ethnic societies have a tendency to fail Though marginalised in existing literature on democratic transition this path breaking book shows how ethnicity has a significant impact on the direction and success of democratic process The initial failure of democratic transition in Rwanda shows that the current regime will need to be sensitive to ethnicity ethnopolitical consciousness and mobility in order to be successful in its second transition attempt Based on key informant interviews participant observation and primary resources this book develops beyond the case study of Rwanda to posit a new framework that integrates variables of unity equality trust and institutional engineering in an integrative model to study and evaluate democratic transition in divided or post conflict society Ethnic Politics and Democratic Transition in Rwanda will be of interest to students and scholars of democratization democracy and ethnic politics and conflict

Retrieving Democracy In Search Of Civic Equality Introduction

In the digital age, access to information has become easier than ever before. The ability to download Retrieving Democracy In Search Of Civic Equality has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Retrieving Democracy In Search Of Civic Equality has opened up a world of possibilities. Downloading Retrieving Democracy In Search Of Civic Equality provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Retrieving Democracy In Search Of Civic Equality has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Retrieving Democracy In Search Of Civic Equality. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Retrieving Democracy In Search Of Civic Equality. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Retrieving Democracy In Search Of Civic Equality, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Retrieving Democracy In Search Of Civic Equality has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security

when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Retrieving Democracy In Search Of Civic Equality Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Retrieving Democracy In Search Of Civic Equality is one of the best book in our library for free trial. We provide copy of Retrieving Democracy In Search Of Civic Equality in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Retrieving Democracy In Search Of Civic Equality. Where to download Retrieving Democracy In Search Of Civic Equality online for free? Are you looking for Retrieving Democracy In Search Of Civic Equality PDF? This is definitely going to save you time and cash in something you should think about.
