Retrofit Right How To Make Your Old Hous:

Retrofit Right Sedway Cooke Associates,1983 Old House Eco Handbook Roger Hunt,Marianne Suhr,2019-09-17 How can we make old houses energy efficient without devaluing future sustainability And how can we do so without compromising their appeal and character This practical and essential guide to retrofitting for energy efficiency seeks to provide answers to this and other questions homeowners of old houses are asking Whether your house is medieval and timber framed or a Georgian Victorian or Edwardian terrace it can be made more energy efficient and sustainable This practical comprehensive and fully illustrated handbook will show you how Revised and updated throughout and with a foreword by Kevin McCloud Old House Eco Handbook includes chapters on the building envelope roofs and ceilings windows and doors walls floors paints energy air and water plus a brand new chapter on retrofit materials In association with The Society for the Protection of Ancient Buildings this is a must have for owners of old houses looking to make their homes more energy efficient and sustainable **The Greened House Effect** Jeff Wilson,2013-05-24 With greater public awareness of the need for energy independence the issue of how we can make our existing homes more resource efficient is becoming ever more critical Residential buildings make up a large fraction of our energy needs largely due to heating and air conditioning So it s no longer enough to simply do the small stuff like switching to compact fluorescent bulbs or turning down the thermostat at night In The Greened House Effect author Jeff Wilson brings his twenty five years of construction experience and knowledge of home building to bear on making our current houses cleaner greener and healthier Think of a deep energy retrofit DER as a home makeover one that represents a significant investment but that saves money from the get go by capturing the energy you drop on the ground every month every year through inefficiency poor design or simply living in a typical older home Using his own family s DER of their 1942 home as a prime example Wilson weaves a readable narrative at a practical hammer and nail level He presents the solutions to our building and energy problems making them seem possible for average homeowners and small contractors by offering the right set of information skills and materials More technical information is presented in sidebars and graphs and numerous color photos illustrate the process including Testing the energy efficiency of your home and learning where improvements need to be made Issues of local building codes and regulations Financing and paying for a DER Major components of the DER such as roofs exterior walls basements and home systems Wilson s building experience along with his lifelong passion for energy issues all come together to form an inspirational can do approach to making our neighborhood our community our nation and our world a better place one home at a time **Historic Preservation Technology** Robert A. Young,2008-03-21 This introduction to historic preservation goes well beyond the Secretary of the Interior s Standards for Rehabilitation and shows how wood stone masonry and metal were used in the past and how adaptive re use can be employed to bring modern amenities to historic structures The book covers all aspects of the exterior and interior building fabric including windows roofing doors porches and electrical and mechanical systems for both

residential and small scale commercial buildings Richly illustrated with photographs showing typical elements of historic buildings decay mechanisms and remediation techniques the book also contains a variety of useful case studies and features a companion Website that offers dozens of additional images and resources **Old-House Journal** ,2002-03 Old House Journal is the original magazine devoted to restoring and preserving old houses For more than 35 years our mission has been to help old house owners repair restore update and decorate buildings of every age and architectural style Each issue explores hands on restoration techniques practical architectural guidelines historical overviews and homeowner stories all in a trusted authoritative voice **Old-House Journal** ,2002-03 Old House Journal is the original magazine devoted to restoring and preserving old houses For more than 35 years our mission has been to help old house owners repair restore update and decorate buildings of every age and architectural style Each issue explores hands on restoration techniques practical architectural guidelines historical overviews and homeowner stories all in a trusted authoritative voice
