Boogeymen Mel Gilden, 2000-09-22 Eric Baldwin is the Federation's premier exologist a specialist in all manner of alien life forms and one of Captain Picard's oldest most trusted friends But Baldwin's discoveries have made him enemies across the galaxy and now he wants Picard to help him by erasing all traces of

his existence but Picard soon finds himself with little time to worry about Baldwin's problems. For the U.S.S. Enterprise has suddenly become a strange and dangerous place, a ship where assassins lurk in every corner and even old trusted friends are not what they seem. Threats all masterminded by the strangest race of aliens Picard and his crew have yet encountered.

The Gorehound's Guide to Splatter Films of the 1960s and 1970s Scott Aaron Stine, 2015-11-20 For the uninitiated the author has obligingly supplied a definition for the slasher splatter film. Any motion picture which contains scenes of extreme violence in graphic and grisly detail. For those film viewers who think this is a good thing and are more likely to select *The Texas Chainsaw Massacre* than *The Remains of the Day* or for those who are not quite sure but are nevertheless drawn to the phantasmagoric or for those horrified by gratuitous violence and blood for blood's sake but are researching this filmic phenomenon this reference book provides all the gory details. From *At Midnight I'll Take Your Soul Away* to *Zombie 2* *The Dead Are Among Us* this book is an exhaustive study of the splatter films of the 1960s and 1970s. After a history of the development of the genre the main meat of the book is a filmography. Each entry includes extensive credits, alternate names and foreign release titles, availability of the film on videocassette, availability of soundtracks and film novelization and reviews. Extensive cross referencing is also included.

The Cinematic Boogeyman Kevin McGuinness, 2024-09-19 In the 1978 horror film classic *Halloween* little Tommy Doyle asks his babysitter Laurie Strode what is the Boogeyman. This book answers this question by assessing the qualities that create the Boogeyman persona in Western popular culture, particularly in the fairytale and the modern horror film. Using an archetypal approach derived from the work of Carl Jung and his successors Erich Neumann and Edgar Herzog, the book assesses the figure of the Boogeyman through an interdisciplinary lens that incorporates research from the fields of psychology, philosophy and film studies. The book begins with an examination of the key traits associated with Bluebeard, a quintessential example of the folkloric Boogeyman featured in Charles Perrault's 1697 collection of fairytales. Through an intense comparative analysis it highlights the presence of similar qualities in the popular villains from the contemporary American slasher movies of the 1970s and 80s. Specifically these characters include Michael Myers from *Halloween* 1978, Jason Voorhees of *Friday the 13th* 1980 and Freddy Krueger featured in *A Nightmare on Elm Street* 1984. This examination situates these terrifying antagonists within a larger context of monstrosity and simultaneously establishes their role as cinematic manifestations of the folkloric Boogeyman.

Nightmare Movies Kim Newman, 2011-04-18 Now over twenty years old the original edition of *Nightmare Movies* has retained its place as a true classic of cult film criticism. In this new edition Kim Newman brings his seminal work completely up to date, both reassessing his earlier evaluations and adding a second part that assesses the last two decades of horror films with all the wit, intelligence and insight for which he is known. Since the publication of the first edition horror has been on a gradual upswing and taken a new and stronger hold over the film industry. Newman negotiates his way through a vast back catalogue of horror, charting the on-screen progress of our collective fears and bogeymen from the low budget slasher movies of the 60s through to the slick

releases of the 2000s in a critical appraisal that doubles up as a genealogical study of contemporary horror and its forebears Newman invokes the figures that fuel the ongoing demand for horror the serial killer the vampire the werewolf the zombie and draws on his remarkable knowledge of the genre to give us a comprehensive overview of the modern myths that have shaped the imagination of multiple generations of cinema goers *Nightmare Movies* is an invaluable companion that not only provides a newly updated history of the darker side of film but a truly entertaining guide with which to discover the less well trodden paths of horror and re discover the classics with a newly instructed eye *Psycho, The Birds and Halloween* Randy Rasmussen, 2013-12-27 Horror films come in a wide variety of styles and subject matter Three of the most intimate explorations of terror are examined in this study Intimate in terms of settings small towns and an isolated motel and in the emotional links between the characters and the terrors they face In *Psycho* Norman Bates is a darker reflection of his victim Marion Crane and her lover Sam Loomis They share frustrations fears and compulsions albeit at different levels of intensity In *The Birds* Melanie Daniels and her new acquaintances in Bodega Bay share emotional problems which can impel them to act in destructive ways that are echoed and then overwhelmed by violence from the natural world *Halloween* features a monster Michael Myers who has more in common with one of his victims heroine Laurie Strode than is evident at first glance Beyond the link between normality and the violently aberrant all three films give glimpses of emotional intimacy that is threatened and sometimes tragically destroyed by horror **Super/heroes** Wendy Haslem, Angela Ndalianis, C. J. Mackie, 2007 This collection explores contemporary superhero narratives including comic books and films in a wider mythic context Since the 1930s superheroes have come to dominate a variety of media formats Why are audiences so fascinated with heroes and what makes the idea of heroes so necessary in society **Obituaries in the Performing Arts, 2017** Harris M. Lentz III, 2018-05-14 The entertainment world lost many notable talents in 2017 including iconic character actor Harry Dean Stanton comedians Jerry Lewis and Dick Gregory country singer Glen Campbell playwright Sam Shepard and actor singer Jim Nabors Obituaries of actors filmmakers musicians producers dancers composers writers animals and others associated with the performing arts who died in 2017 are included Date place and cause of death are provided for each along with a career recap and a photograph Filmographies are given for film and television performers *Chasing the Boogeyman* Richard Chizmar, 2024-10-22 In the summer of 1988 the mutilated bodies of several missing girls begin to turn up in a small Maryland town The grisly evidence leads police to the terrifying assumption that a serial killer is on the loose in the quiet suburb But soon a rumor begins to spread that the evil stalking local teens is not entirely human Law enforcement as well as members of the FBI are certain that the killer is a living breathing madman and he s playing games with them For a once peaceful community trapped in the depths of paranoia and suspicion it feels like a nightmare that will never end Red, White, and Blood Christopher Farnsworth, 2012-04-26 This is not a man In almost a hundred years I have seen it shot stabbed drowned burned decapitated dismembered and buried And in almost a hundred years there s only one thing that s ever been

Psychotherapists on Film, 1899-1999 John Flowers,Paul Frizler,2004 How long have psychotherapists been depicted in films Nearly as long as there have been films or psychotherapists for that matter This isn t surprising if one considers that the Freudian revolution in psychology and the invention of motion pictures occurred at about the same time What may be surprising is the sheer number of times that psychotherapists in their many guises have shown up in the movies and how their depiction has reflected changing social attitudes about psychotherapy over the last century This comprehensive worldwide filmography examines over 5000 movies Films in which mental health professionals appear or in which others act in that capacity are listed alphabetically A preface explains the criteria for a film s inclusion and a lengthy introduction and guide to the filmography explores the changing social attitudes mirrored by the movies Appendices list the titles by decade alternate titles for many films recent releases and qualifying adult films This text refers to Volume 2 of a two volume set Volume 2 includes entries from M through Z the appendices and index The complete set can be obtained under ISBN 0 7864 1297 6

Jews and Muslims in the White Supremacist Conspiratorial Imagination Ron Hirschbein,Amin Asfari,2023-01-18 Jews and Muslims in the White Supremacist Conspiratorial Imagination explores how Jews and Muslims are stigmatized and endangered by the same conspiratorial template Supremacists imagine that Jews and Muslims secretly strive to replace white European civilization with an unspeakable tyranny The authors a Jew and a Muslim analyze the nature of the conspiracism that targets their communities They historicize the supremacist conspiratorial imagination narrating the paranoia on a continuum from modernity to the postmodern They begin with the texts of modernity following them through to the dark areas of the Internet and examining their violent denouement in synagogues and mosques

The book investigates the classic text The Protocols of the Elders of Zion and neoclassic variations such as QAnon It turns to Islamophobic responses to 9 11 such as paranoia regarding the Muslim Brotherhood and the doppelgänger of The Protocols namely The Project The authors conclude by questioning how ordinary people prompted by paranoia and recognition hunger resort to violence and murder Admittedly the authors are not certain certainty is for conspiracists But they may have a piece of the puzzle This book will be of interest to students and scholars of conspiracy theories antisemitism Judeophobia Islamophobia political science history philosophy psychology sociology and criminology *NewMedia* ,1999
