Return To Yesterday:

Portraits from Life Jerome Boyd Maunsell, 2018-01-05 What happens when novelists write about their own lives directly in memoirs and autobiographies rather than in novels How do they present themselves and what do their self portraits reveal In a series of biographical case studies *Portraits from Life* examines how seven canonical Modernist writers Joseph Conrad Ford Madox Ford Henry James Wyndham Lewis Gertrude Stein H G Wells and Edith Wharton depicted themselves in their memoirs and autobiographies during the first half of the twentieth century Drawing on a range of life writing sources in this innovative group portrait Jerome Boyd Maunsell reconstructs the periods during which these authors worked on their memoirs often towards the end of their lives and shows how memoirs and autobiographies are just as artful as novels The seven portraits in the book also create a rich network of encounters as many of these writers knew each other and wrote about each other in their reminiscences *Portraits from Life* investigates the difficulties and possibilities of autobiography the relation of fact and fiction biography and autobiography the ethical issues of dealing with real people the thin generic lines between novels and autobiographies and the deceptive workings of memory and how all these writers dealt with these concerns as they looked back on their lives An act of portraiture and biography as well as an act of criticism moving from London to Paris and through two world wars it also pieces together a fresh and constantly inter connecting narrative of the Modernist era in England and France

The World of Yesterday's Humanist Today Marion Sonnenfeld, 1984-06-30 Fifty years ago Stefan Zweig who committed suicide in 1942 was the most widely read and translated living writer in the world Zweig's Vienna was a world of bright brittle superficialities in which the bourgeoisie gradually elevated the eternal business of seeing and being seen to the purpose of the existence To break through the facades of this society Zweig developed a remarkable literary and psychological method In *The World of Yesterday's Humanist Today* thirty scholars of history literature and music share their studies of Zweig and their insight into his works

The World of Yesterday's Humanist Today Stefan Zweig Symposium (1981: Fredonia, N.Y.), 1983-01-01 *France 1837* was the third volume published in Cooper's *Gleanings in Europe* series but first in the chronology of his European experience Less sequential than his other travel narratives *France* distills his impressions of French and European culture during his first two years abroad Exhibiting many qualities of the familiar essay it considers a wide range of topics of interest to Cooper his friends and potential readers in the United States As a celebrity thoroughly at home in the brilliant society of Bourbon Paris Cooper was able to provide fascinating glimpses of personalities spectacles institutions and manners from his distinctly American perspective Indeed as Professor Philbrick remarks No other of Cooper's works perhaps brings us closer to his speaking voice or puts us more directly in contact with the man himself with all his idiosyncratic preoccupations his quick resentments his restless curiosity his surprising humor and his nobility of principle The reader of this edition is brought even closer to Cooper in the draft of a hitherto unpublished letter probably intended for this book which illustrates Cooper's grasp of the still finer points of French

customs and attitudes *The Laws of Yesterday's Wars 2* Samuel C. Duckett White,2022-08-22 How international is international humanitarian law The Laws of Yesterday s Wars 2 From Ancient India to East Africa together with its companion volume The Laws of Yesterday s Wars From Indigenous Australians to the American Civil War Brill Nijhoff 2021 attempts to answer that question It offers a culture by culture account of various unique restrictions placed on warfare over time Containing essays by a range of laws of war academics and practitioners it approaches the laws of yesterday s wars from a wide cross section of history and culture seeking to find any common ground and to demonstrate a history of international law outside the usual confines of its development by Europeans and its later contributions This volume includes studies on Japanese Islamic and Eastern Native American rules of war **The Making of Yesterday's Enterprise** Eric A. Stillwell,2008 Yesterday s Enterprise consistently ranks as one of the all time fan favorite episodes of the Star Trek The Next Generation television series Stillwell chronicles the behind the scenes of this acclaimed episode from its inception to the final product and beyond **Ford Madox Ford, 1873-1939** David Dow Harvey,2015-12-08 The Protean personality and career of Ford Madox Ford as poet novelist editor critic and miscellaneous writer have made him one of the most elusive of modern authors In this bibliography which includes extensive excerpts of writings by and about Ford as well as complete descriptions of the various editions of his book and periodical publications David Dow Harrvey has at last made it possible to form a true estimate of Ford s involvements with other writers and his contributions to modern literature Originally published in 1961 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *All of Yesterday's Tomorrows* Corey K. Cotta,2007-05 It was supposed to be a relaxing vacation Even though he can t spend time in the warm waters of Belize policeman Conrad Bishop is happy to spend time with his girlfriend Amber at a private beachfront home in Nantucket After a tranquil evening walking the beach Conrad wakes at 3 00 AM turns on the television and hears a disturbing news report about a deadly influenza plague the direct result of a terrorist attack on the United States Rushing into his bedroom he finds his girlfriend unconscious and suffering from a high fever When he tries to take her to the hospital the town is in a panic Cars clog the road and he s forced to return to the beach house Amber never regains consciousness and by that evening she is dead Grief stricken Bishop is suddenly thrust into a world that changes by the minute Terrorists attack every major city in the United States with car bombs and invade American embassies overseas With a small group of survivors Conrad struggles to stay alive His fight will take him to the very steps of the White House and have him waging a valiant crusade to keep a dying nation alive *Perseverance of Yesterday's Women* Dragana Djurdjev,2018-01-29 Ms Djurdjev wrote her book to give support and encouragement to those

who unwillingly relinquished their talents and journey to someone else To those who see themselves in her story she sends ideas and encouragement and perhaps the sense of urgency for them to call upon their courage create a plan and reclaim their journey through life She reminds us that there are no do overs in life it is obligatory to seek joy while living it While in leadership roles Ms Djurdjev realized like her others have a need for ideas and guidance to find ways to reclaim their talents which would enable them to create their own special journey through life **Russomania** Rebecca Beasley,2020-03-31

Russomania Russian Culture and the Creation of British Modernism provides a new account of modernist literature s emergence in Britain British writers played a central role in the dissemination of Russian literature and culture during the early twentieth century and their writing was transformed by the encounter This study restores the thick history of that moment by analyzing networks of dissemination and reception to recover the role of neglected as well as canonical figures and institutions as well as individuals The dominant account of British modernism privileges a Francophile genealogy but the turn of the century debate about the future of British writing was a triangular debate a debate not only between French and English models but between French English and Russian models Francophile modernists associated Russian literature especially the Tolstoyan novel with an uncritical immersion in life at the expense of a mastery of style and while individual works might be admired Russian literature as a whole was represented as a dangerous model for British writing This supposed danger was closely bound up with the politics of the period and this book investigates how Russian culture was deployed in the close relationships between writers editors and politicians who made up the early twentieth century intellectual class the British intelligentsia **Russomania** argues that the most significant impact of Russian culture is not to be found in stylistic borrowings between canonical authors but in the shaping of the major intellectual questions of the period the relation between language and action writer and audience and the work of art and lived experience The resulting account brings an occluded genealogy of early modernism to the fore with a different arrangement of protagonists different critical values and stronger lines of connection to the realist experiments of the Victorian past and the anti formalism and revived romanticism of the 1930s and 1940s future **Echoes of Yesterday's Scream** Pasquale De Marco,2025-05-09

Echoes of Yesterday's Scream is a powerful and deeply moving exploration of the enduring impact of trauma the resilience of the human spirit and the transformative power of truth Through a series of thought provoking chapters this book delves into the depths of the human psyche examining the ways in which trauma can shape our lives both for better and for worse Written by Pasquale De Marco a renowned expert in the field of trauma recovery **Echoes of Yesterday's Scream** is a comprehensive guide for anyone who has been affected by trauma whether directly or indirectly Drawing on cutting edge research and real life stories of survivors this book provides invaluable insights into the nature of trauma and its far reaching effects **Echoes of Yesterday's Scream** is more than just a collection of knowledge it is a catalyst for change empowering readers to break the cycle of silence seek justice and reclaim their lives from the shadows of the past With compassion and empathy Pasquale De

Marco offers practical advice and evidence based strategies for healing and recovery This book is essential reading for survivors of trauma their loved ones and anyone who works with trauma victims It is a valuable resource for professionals in the fields of psychology law enforcement social work and victim advocacy In *Echoes of Yesterday's Scream* readers will find A comprehensive overview of the nature and impact of trauma Insights into the latest research on trauma recovery Real life stories of survivors who have overcome adversity Practical advice and strategies for healing and recovery Resources and support for trauma survivors and their loved ones *Echoes of Yesterday's Scream* is a beacon of hope for anyone who has been affected by trauma It is a powerful reminder that even in the darkest of times healing is possible With courage resilience and the support of others we can overcome the challenges of the past and create a brighter future If you like this book write a review on google books

The Shadow of Yesterday's Man Tony Ives,2015-03-28 Sci fi crime noir When a dead man sets you on a collision course with the police and a gunfight in a cemetery as a reasonably respectable PI you might feel the need to reconsider your line of work But when a dead woman comes back to life to hire you and someone blows your house up it might be time to get out of town

The Laws of Yesterday's Wars Samuel C. Duckett White,2021-12-20 This book offers a culture by culture account of various unique restrictions placed on warfare over time in a bid to demonstrate the underlying humanity often accompanying the horrors of war It offers the first systematic exploration of Indigenous Australian laws of war relaying decades of experience in communities Containing essays by a range of laws of war academics and practitioners this volume is a starting point in a new debate on the question how international is international humanitarian law See also its companion volume *The Laws of Yesterday's Wars 2 From Ancient India to East Africa*

The Power of Yesterday's Tears Gloria F. Martin,2010-08-10 Gwen leaves her no good cheating husband and moves back to her hometown Shortly thereafter she discovers that her old boyfriend is in jail awaiting a prison term After attending his sentencing she realizes that she still has feelings for him Through open letters and contact visits Gwen and Willie begin to develop a closeness that they never shared before Willie learns the gift of giving himself as he stumbles his way back into Gwens heart Gwen finds solace in a man who unlike her husband knows the right words to say to make her feel complete Together they face obstacles while learning the true meaning of faith trust and commitment Such obstacles have also changed the fate of one confused boy one letter at a time Based on actual experiences this story of trials and tribulations focuses on African American relationships today but women of all nationalities who have experienced deceit or disrespect from the men in their lives will find it relevant

Tales of Yesterday's Florida Keys John Viele,2017-11-01 A collection of stories of people and events in the Florida Keys extending from the time the Keys were first occupied by humans through the Second Seminole War the coming of the Overseas Railway and finally the opening of the first Overseas Highway in 1927 The tales tell of American Indians Cubans Bahamians New Englanders and of fishing turtling shipwreck salvaging warring and of course dealing with heat and mosquitoes John Viele's three volumes *The Florida Keys* have been Keys bestsellers for years Now he presents a fascinating

new batch of historical vignettes *Ford Madox Ford and Englishness* ,2006-01-01 The controversial British writer Ford Madox Ford 1873 1939 is increasingly recognized as a major presence in early twentieth century literature International Ford Madox Ford Studies has been founded to reflect the recent resurgence of interest in him Each volume is based upon a particular theme or issue each will relate aspects of Ford s work life and contacts to broader concerns of his time Ford is best known for his fiction especially *The Good Soldier* long considered a modernist masterpiece and *Parade s End* which Anthony Burgess described as the finest novel about the First World War and Samuel Hynes has called the greatest war novel ever written by an Englishman These works together with his trilogy *The Fifth Queen* about Henry VIII and Katharine Howard are centrally concerned with the idea of Englishness All these and other works across Ford s prolific oeuvre are studied here Critics of Edwardian and Modernist literature have been increasingly turning to Ford s brilliant 1905 experiment in Impressionism *The Soul of London* as an exemplary text His trilogy *England and the English* of which this forms the first part provides a central reference point for this volume which presents Ford as a key contributor to Edwardian debates about the Condition of England His complex ironic attitude to Englishness makes his approach stand out from contemporary anxieties about race and degeneration and anticipate the recent reconsideration of Englishness in response to post colonialism multiculturalism globalization devolution and the expansion and development of the European Community Ford s apprehension of the major social transformations of his age lets us read him as a precursor to cultural studies He considered mass culture and its relation to literary traditions decades before writers like George Orwell the Leavises or Raymond Williams The present book initiates a substantial reassessment to be continued in future volumes in the series of Ford s responses to these cultural transformations his contacts with other writers and his phases of activity as an editor working to transform modern literature From another point of view the essays here also develop the project established in earlier volumes of reappraising Ford s engagement with the city history and modernity **The Laws of Yesterday's Wars 3** Samuel C. Duckett White,2024-04-08 How international is international humanitarian law *The Laws of Yesterday s Wars 3* From Highland New Guinea to the Island of Malta together with its companion volumes *The Laws of Yesterday s Wars* From Indigenous Australians to the American Civil War Brill Nijhoff 2021 and *The Laws of Yesterday s Wars 2* From Ancient India to East Africa Brill Nijhoff 2022 attempts to answer that question It offers a culture by culture account of various unique restrictions placed on warfare over time Containing essays by a range of laws of war academics and practitioners it approaches the laws of yesterday s wars from a wide cross section of history and culture seeking to find any common ground and to demonstrate a history of international law outside the usual confines of its development by Europeans and its later contributions This volume includes studies on Mongol Iban and Ottoman rules of war *An Introduction to Ford Madox Ford* Ashley Chantler,Rob Hawkes,2016-05-23 For students and readers new to the work of Ford Madox Ford this volume provides a comprehensive introduction to one of the most complex important and fascinating authors Bringing together

leading Ford scholars the volume places Ford's work in the context of significant literary, artistic, and historical events and movements. Individual essays consider Ford's theory of literary Impressionism and the impact of the First World War illuminate *The Good Soldier* and *Parade's End*, engage with topics such as the city, gender, national identity, and politics, discuss Ford as an autobiographer, poet, propagandist, sociologist, Edwardian, and modernist, and show his importance as founding editor of the groundbreaking *English Review* and transatlantic review. The volume encourages detailed, close reading of Ford's writing and illustrates the importance of engaging with secondary sources.

Letting Go of Yesterday's Pain: Carol's Story Violet O. Cox Ph.D, 2012-12-26 *Letting Go of Yesterday's Pain* is a story passionately narrated by Carol as she struggles to find herself in the midst of family feuds, lies, murder, incest, and deception. The book starts out at a slow pace as the heroine wrestles with her inner conflicts of whether to be publicly transparent or to remain cocooned in her past. However, the momentum of the story picks up when she finally bursts forth from the struggle and unabashedly travels vividly through the chapters of her life's story. In a pseudo-autobiographical fashion, Carol chronicles her childhood years that wove the pattern for her adolescent and later adult years of deprivation, rebellion, mistrust, and promiscuity. The deeper structure of the book speaks to two very fundamental building blocks of human existence: the role of the family in shaping the destiny of each member and the unquestionable providential hand of God still guiding a soul in spite of bad choices. The discussion sections based on each chapter provided in the appendix offer biblical authenticity.

Steampunk Quantum Mechanics: Exploring the Physics of Yesterday's Future Larry Wilkinson, 2025-04-07 This book uncovers the fascinating intersection of steampunk aesthetics and quantum mechanics, delving into the alluring realm where imagination intertwines with scientific principles. Prepare to be captivated by a fusion of Victorian machinery, fantastical contraptions, and cutting-edge physics concepts. Step into a captivating narrative that weaves together historical anecdotes, scientific explanations, and imaginative explorations. The main content delves into the fundamentals of quantum mechanics, demystifying its enigmatic principles with clarity and engaging anecdotes. Discover the mind-bending concepts of superposition, entanglement, and quantum indeterminacy through vivid imagery and accessible language. This book is a perfect companion for steampunk enthusiasts, quantum mechanics explorers, and anyone yearning to ignite their imagination. It offers an immersive journey through the boundless possibilities of scientific imagination where the past and future collide in an extraordinary symphony of science and creativity. Whether you seek to expand your scientific knowledge or indulge in a captivating blend of fantasy and physics, this book will transport you to a realm where the impossible becomes tangible.
