Revelation A For The Rest Of Us:

The Last Things George E. Ladd, 2004-01-09 In recent years scriptural prophecies about the end times have become the subject of an increasing number of books. Many of these however are popularized accounts containing little thoughtful biblical scholarship. Yet the serious studies available are often too difficult for the average reader to understand. George Eldon Ladd has endeavored to rectify this situation with a serious discussion of eschatology written for the layperson. Two radically different interpretations of the relationship between the prophecies of the Old and New Testaments have been offered. One view sees separate programs for Israel and the Christian church while the other recognizes progressive revelation and a unity of the Testaments. Professor Ladd holds the latter position, basing his doctrine of the last things on the conviction that our final word is to be found in New Testament reinterpretation of Old Testament prophecy. Only as the prophecies are seen in the light of God's revelation through Christ can we clearly comprehend what they mean in relation to the end times.

The Blessed Hope George Eldon Ladd, 1956 Jesus Christ is coming again. That is the Blessed Hope which has since the earliest days of the Church energized Biblical Christians looking for the full revelation of God's redemption. The author sketches the history of interpretations of Christ's second coming and then carefully and lucidly examines the Biblical passages on which this doctrine is based. His conclusion is that the Blessed Hope is the second coming of Jesus Christ, not a pretribulation rapture that believers in a secret coming of Jesus. Yet he concludes that there should be liberty and charity within the Christian community for all who hold to the expectation of the blessed hope and appearing in glory of our great God and Saviour Jesus Christ.

The Rest of the Gospel Dan Stone, David Gregory, 2014-04-01 Do I have life more abundant? That's a question millions of Christians have asked down through the ages. Dan Stone asked that question during a time of spiritual frustration in his own life and God answered by showing Dan he had been living only a part of the gospel message. Dan's search led him to discover the truth of Christ in you as the rest of the gospel that most Christians overlook. Readers who are hungry for a deeper experience with God will resonate with Dan's discovery of the rest of the gospel, which is indeed rest for everyone who is willing to finally let go and let God.

Belete,Warren A. Shipton,2011-09-19 One of the most fascinating periods of history must certainly be around the time of Daniel the prophets time sixth and fifth centuries B C It was then that many of the philosophies that were to exert a telling influence on Western thought and Christianity arose This is the period when Buddha Confucius Lao Tzu Zoroaster and Pythagoras developed their ideas In this book we consider the coded messages written by Daniel and later by the apostle John preserved in the Bible History offers outstanding confirmation of the accuracy of their predictions We indicate how past and developing world events fit into the fabric of prophecy *New Testament* Robert Jamieson,Andrew Robert Fausset,David Brown,1875 *New-Church Messenger* ,1923 **Approaching God** Paul P.
