Key topics include: The letters to the seven churches and their relevance to modern-day believers; The meaning of the Seven Seals, Trumpets, and Bowls and how they relate to God's final judgment; The identity of the Beast, the Antichrist, and the False Prophet and their roles in the end times; The significance of the 144,000 and the tribulation saints; A detailed look at the Millennial Reign of Christ and the ultimate establishment of God's Kingdom; Connecting Prophecy with the Present: *Revelation Explained* also ties the events of Revelation to prophecies from the Old Testament, offering a comprehensive understanding of how the Bible's final book fulfills promises and predictions made throughout Scripture. By linking these prophecies, readers will gain a holistic view of God's redemptive plan and how it culminates in Revelation. For Every Believer: Whether you are a pastor, Bible study leader, or simply someone interested in the Christian faith, this verse-by-verse commentary will deepen your understanding of Revelation. The explanations are clear enough for beginners but insightful enough for those with deeper theological interest. **Vision** Austin Cooke, 2015-01-15 The book of Revelation begins with a promise Blessed is he who reads and those who hear the words of this prophecy and keep those things which are written in it for the time is near Rev 1 3 God calls us to faithfully study His Word and understand the truths about where we have been where we are and where we are going so that we may stand firm in these last days An Enduring Vision Revelation Revealed is an in depth verse by verse exposition of the book of Revelation An avid student of the Bible history and Spirit of Prophecy Pastor Austin Cooke thoroughly examines Revelation in light of history and presents a solid interpretation of prophecy based on Bible truth drawing from sources that date back to the 1700s all the way to recent publications including current media This book will engage you with its in depth study of history amaze you as to the accuracy of God s prophecies and inspire you to be ready for the second advent of Jesus *The Revelation* Oliver B. Greene , 2015-11-20 The principle upon which this verse by verse study of Revelation proceeds is that the contents of the book are in the main yet future and that the fulfillment of the greater part of Revelation cannot take place as long as the Church remains here on earth When the Lord JESUS comes in the Rapture and the Church is caught up to meet Him in the air then the events in Revelation from chapter four through chapter twenty two will occur The New Testament Church CHRIST s body and His bride is now in the process of being called out and will be completed when the Rapture occurs This is known as the Church Age or the Dispensation of Grace During this dispensation both Jews and Gentiles are being saved and they all become members of the same body I Corinthians 12 12 13 The New Testament Church is not a subject of prophecy but is a New Testament revelation Matthew 16 16 17 Ephesians 3 Before our very eyes in this day political and religious events are taking place which point to the end of this age of grace But after the Rapture the seventieth week of Daniel s prophecy Daniel 9 27 will bring about startling changes here on this earth The entire political system will be rearranged under Satan s prime minister the Beast of Revelation A gigantic confederation of ten powers will rule The old Roman Empire in all of its power and glory will appear under new conditions It will be guided and controlled by the Little Horn of Daniel 7 known in the New Testament as the Beast His partner in murder and crime is the Antichrist who will be the religious dictator and the head of the world church which is now in the making What the Beast does politically the Antichrist will do religiously The two will control all political and religious activity here on earth Bear in mind that this takes place after the Rapture of the church Revelation 3 10 I Thessalonians 5 9 Just before the King of Kings overthrows the Beast and the Man of Sin everything that is vile religiously will head up under the leadership of the whore the mystical Babylon Mystical Babylon will be overthrown by the ten kings Revelation 17 16 who at first were with her and upheld her in all of her vileness but who later turn to destroy her The ruin of the great whore is lamented by the kings the merchants and the people outside the Roman Empire Revelation 18 9 18 The final destruction and annihilation of the great whore will be by Almighty God Himself Revelation 18 2 21 24 This will take place shortly before the destruction of the Beast The Beast will be destroyed by the Lord in person when He comes in mighty power read Revelation 19 The destruction of mystical Babylon and the

destruction of the Beast are separate events The destruction of mystical Babylon precedes the destruction of the Beast The events recorded in Revelation chapters four and following cannot take place as long as the Church is here on earth Evil at the present is actively at work and the mystery of iniquity is already working But the mystery of iniquity is restrained kept in check by the Holy Spirit II Thessalonians 2 6 7 The presence of the New Testament Church and the presence of the HOLY GHOST restrain the development of the mystery of iniquity The church of the Antichrist cannot be revealed and the faith cannot be totally annihilated from the visible Church until the church at Philadelphia Revelation 3 7 is raptured to meet the Lord in the air and until the Laodiceans are spued out and remain here on the earth However the principles are at work which are surely and rapidly undermining the moral foundations of the professing church and of society in general The stage is set and the higher critics are doing all in their power to undermine the faith      Prophets in the Quran Brannon

with other mindful leadership concepts is required to provide solutions and options in leadership for better outcomes and spiritual awareness. It is found that leadership literature in general is unable to generate an understanding of a leadership concept that is both intellectually compelling and emotionally satisfying. As for qalb leadership, it focuses on the spirituality of leadership that can aid in facing unpredictable manners and provide better outcomes for followers. Research on Islamic leadership and spirituality may pave the way for better leadership practices in the future. The Role of Islamic Spirituality in the Management and Leadership Process will elaborate the spirituality and qalb in human life and leadership along with providing a discussion on the role and function of qalb in the overall leadership process. Through spirituality, human interdependence, creativity, and social justice can be created and molded. This type of leadership enables transformation in a natural way without denying basic human nature and imparts balance to both the outer and inner needs of humans. With the discussion of four cardinal virtues of Al Ghazali, leaders can solve many problems that emerge in their organizations. This book is ideal for managers, executives, theologians, professionals, researchers, academicians, and students who are interested in how Islamic spirituality plays a role in leadership.

Foundational Discipling Principles Robert Straube, 2010-04

After 22 years of prayer, study, ministry, observation, and seeking God's will through it all, the burden in my heart to teach disciples and raise up Church leaders who are grounded in solid foundational principles has escalated into a powerful fervor. Therefore, my spirit has been compelled to put these principles into writing for the edification of the glory of the Lord for His kingdom. Many of these things have been taught in various forms and/or pieces. It has been my longing to put this to an organized instructional tool that will firm up the believer's heart and mind and establish a solid foundation for disciples to build their calling upon, thereby launching the disciple's ministry for the purpose of accomplishing God's will for their lives. Like a drop of water spilled into a pool and rippling outward, it is my expectation that these teachings will ripple out into the world and change many lives.

Dr. Robert Doc Straube was born in 1950 in Bethesda, Maryland. Growing up as a US Navy dependant, he lived all around North America, Hawaii, and the Caribbean, finally settling in the Seattle, Washington area. During his early college life, he earned Ph.D.s in Psychology and Business Economics. While teaching and studying at different institutions, Doc continually sought for spiritual truth, studying various religions and philosophies. Finally, through God's grace, he received Jesus Christ as his personal Savior and became a born-again Christian in 1981. The Bible became his one and only source of truth. Desiring to have a complete and full relationship with Jesus Christ, he earned his third doctorate in Divinity.

Swedenborg, 2013-11-19 This work originally published in 1766 unfolds the spiritual meaning of the Book of Revelation It shows that by the Seven Churches in Asia to whom this prophecy is addressed are meant the different classes of Christians of the present day that the Last Judgment is not an event that is to occur at some future time in the natural world but one that has already taken place in the world of spirits and that the New Jerusalem coming down like a bride out of heaven symbolizes a new dispensation of truth now descending into the minds of men Incidentally it explains numerous passages from other parts of the Word Instructive narratives of things seen in the spiritual world are also interspersed between the chapters
