Number 666 Ralph Myers, 2010-05 Discover the Incredible Truth Behind the Number of the Beast Ever since the Bible was written Christian scholars have debated the meaning of the number 666 the number of the beast referred to in the Book of Revelation If as so many experts agree it holds the keys for identifying the coming antichrist then how will we recognize the coming prophecy In this breakthrough book Ralph Myers sheds new insight into chiastic structure the meaning that s coded in various Bible verses to arrive at an important conclusion about the number 666 His interpretation of this 1 900 year old riddle will shake the very foundation of every Christian church challenging all to make a tangible examination of how this prophecy is to be understood You ll learn The stunning evidence that ties the number 666 to the names used by popes Where previous theologians have gotten it wrong when it comes to deciphering the mystery The chiastic word link to the number 666 found in Revelation and how this word helps explain the riddle Where scripture lays out the precise series of events to take place in the end times and why we re so close to the coming of the antichrist The amazing truth so you can arm yourself to stay true to God s word and wisdom during these troubled times Much much more As the time comes nearer to the end these elusive truths are more important than ever There is very little time left Do not let these prophecies that are being fulfilled today go by unnoticed **666** Christopher, 2006 *The Revelation of 666 Man and Image* Leticia

Verdin, 2019-11-12 One of the biggest mysteries in Christianity is the meaning of the number 666 It refers to man and the beast But how And who gave it that meaning In her book *The Revelation of 666 Man and Image* author Leticia Lee Verdin reveals the ultimate image created by man There is no other image that can surpass 666 as 666 was made in the image of man who was made in the image of God Created in the image of God 666 can choose to mirror the Creator in deed but the man created image was set up in honor of the beast Man can choose to worship and serve God or to worship and serve the beast It s a spiritual matter of life or death In the insightful and thought provoking *The Revelation of 666 Man and Image*

Verdin details the importance of knowing more about the relationship between God and Satan You will also learn how Satan uses his wiles to corrupt us and take our souls Knowledge can provide the tools necessary to defeating the beast The Antichrist of Revelation Erika Grey,2013-09-16 Nearly all evangelical Christians have learned of the Antichrist He horrifies mystifies and fills us with dread The Antichrist is Jesus Christ s nemesis and the world dictator who the Bible forecasts arrives into his position and ushers in the Tribulation The Antichrist s dictatorship provides the atmosphere of life during the Earth s final years Every generation of Christians have talked about the Antichrist Jesus taught of him and the apostles mentioned him in their books Jesus s teachings on the Antichrist also mystified the church fathers They discussed the Antichrist in detail There are many questions that have been asked about the Antichrist The Antichrist of Revelation provides the answers exposes the myths and reveals the most complete depiction of the Antichrist found in any volume **666 and the Antichrist of Revelation** Ron Mcray,2014-06-05 Down through the ages the religious world has tried to determine who had or will have the number of 666 that is mentioned in the book of Revelation Many have tried to determine the meaning of the number or used creative ways to make a name add up to 666 In recent times some have employed computer programs to decipher who he might be Many have dared to put forth names varying from religious leaders to kings governments political figures and even unbelieving diabolical men but each has failed to be revealed as the man whose number is six hundred and sixty six Church going people everywhere have been taught to fear the beast and the mark that could be placed on their bodies They have been told that unsuspecting people will be deceived into accepting the mark and thereby sealing their fate However you are about to discover the answer to this great mystery in plain detail The Bible reveals the answer and it is much different than you have imagined Dr Ron McRay in his usual style of writing has once again found a gem hiding in plain sight He states the solution is simple natural and meets all the circumstances of the case You will soon know more about the antichrist and the number 666 than most pastors scholars theologians and Bible commentators Equipped with this knowledge you may find yourself questioning the teachings of your church for it may open your mind to Bible truths never before revealed This book will surely shake the religious stronghold and bring peace and understanding to confused and mislead groups of people This is truly an exciting time in history to finally have a Biblical answer to the nagging questions of the antichrist and the number 666 666, the Mark of America - Seat of the Beast Christopher,Christopher Na,2006-01-01 Within this volume the American dream of prosperity and freedom from labor is unmasked as the beast designed to serve the elite and fulfill their selfish desires While very few are lavishing in riches the majority of people both within and outside of the United States are suffocating in stress inequality poverty pollution and violence Christian *The Mark of the Beast* Godfrey Godfrey,2015-06-03 The Scriptures is full of codes which have been placed for human identification and gain The problem often is that man does not always have the resources to unlock these codes While acquisition of the keys to these codes is within human grasp most men have not disposed themselves to seeking the truth of the Lord God and getting the

corresponding benefit that is promised man Much of the time we read the genealogies of Bible characters with the lethargy of reading a very uninteresting subject Much of the time we glance past many of these convinced there is nothing relevant in them for the modern man However there is a lot to learn and to uncover in the Bible Some of the greatest secrets and the most sought after secrets are actually cached in the supposed boring genealogies The Scriptures is replete with numbers Often these numbers have overwhelming value and significance One number that has continued to hold a mysterious grip on many and defy explication is the number 666 There can be no doubt that numbers in the Scriptures need to be studied Numbers are signs A survey of signs of the Lord easily reveal that most signs of the Lord God are revealed to the beneficiaries being almost always the people that the signs are meant for Thus studying a number or group of numbers should not be limited to scholastic approach There is a need to incline or dispose oneself to the Lord for the necessary revelation Anything short of this may lead to conjecture and wrong assumptions which may not stand rigorous empiricism The one Book of the Scriptures that holds information relating to the mark of the Beast is the Book of Revelation The interesting thing about the Book of Revelation as it concerns this number is that it was never supposed to defy interpretation It is the wisdom of the Lord God that this code be used and it is also the understanding that the Lord God Himself gives that can break this code of a number Rev 13 18 Here is wisdom Let him that hath understanding count the number of the beast for it is the number of a man and his number is Six hundred threescore and six We can see from verse 18 just above that 666 is the number of a man This is a bit ambiguous Most persons have misinterpreted it to be the number of a mans identification card or credit card When the Scriptures talks of a man in this case it is generalizing meaning generic man and not a specific person Thus we can see that the beast is actually human In actuality the beast is both spirit and man It is the product of a fusion of a spirit and a human female The product is conspicuously a man but latently a spirit It is man that has degenerated to a sub human level The beast does not have the number of a beast or the attributes of a beast but that of a man This is because the beast is actually human It is redolent of the analogy of defining the Devil as a Serpent Thus instead of saying Devil the Scripture also uses Serpent while we are actually dealing with a being that is not a snake He is supposed to have been one of the best in Heaven Serpent is only used in analogy In the same vein beast is only a satirical application to a man who has refused to identify with the Lord God The Devil himself was the first beast the beast of Eden He came to the first people like a beast that is a serpent That is why he is known as the Serpent The anti Christ being one with the devil comes in the image and spirit of his father the Devil That is why he is equally known and addressed as the Beast The mark of the Beast is not placed on animals but on man It is a sign which incorporates the numbers of the Living God and the number of the Devil It is an unholy alliance which is detested by the Lord God and cursed Read this book and understand without the least ambiguity what the Mark of the Beast is really all about You shall have your money refunded you if you have a better explanation to this and can prove it Wealth, the Name and Number of the Beast, 666, in the Book of Revelation

Christ, Herod and the 666 George Devney, 2020-03-05 The revelation written is hard to understand It is 4 symbols I explain what all of these symbols stand for and mean and the events that took place happened 2 3 thousand years ago All past history my book tells the truth about the book of revelation What the ministers and priests preach about on a Sunday morning try to tell people that these things have not happened yet and that they are going to take place in the future and it is all hog wash and not true The priests are trying to tell people that these things are going to happen in the future and it is a lie The book of revelation they don't understand or they do know and are trying to hide it and tell people it is a future event coming trying to scare people and make them dig in their pockets and put money in the collection box The people are fooled or told by these individuals that these things are going to happen The reality is these things actually happened in the past and it is past history

Out of the Abyss Gary Bowers, 2011-02-14 The Apostle Paul branded him the man of lawlessness The Prophet Daniel marked him as a little horn and a king John the author of Revelation stamped him as a scarlet beast The Apostle John labeled him Antichrist Many left behind after the Rapture will be amazed and terrified at his mysterious yet miraculous reappearance Who is this troublesome figure that will pervert all that is good and decent and right Is it possible to solve the number of the Antichrist before he appears Does the Bible promote or even permit identification of this man of sin who will personify and epitomize the Mystery of Iniquity Both believers and non believers have been perplexed and intrigued with these questions for centuries This book will propel you on an unforgettable voyage to the ancient Roman world to the very origin and lair of the beast to the 1st century Church to the Abyss and back again to the preemptive death and eternal destruction of Antichrist to the mesmerizing visions of John Daniel and Zechariah and to high level heavenly counsels *Out of the Abyss* will expose and declassify that which has been concealed and classified To wit the secret of the beast presumed to be confidential until the body of Christ is taken from this earth You may not agree with where the journey takes you i.e. with the conclusions reached But with all his heart and utmost conviction the author believes you will enjoy the trip He proposes that at the very least you will be fascinated with the relevance and application of Scripture to some of the most astounding events in human history both past and future You will take part in and be enthralled with a partial refitting of the prophetic puzzle

Revelation 13 18 Decoding 666 Erika Grey,2024-05-30 **The 666 Theory Proved** Bernard Nwaokeleme
PhD,2020-09-18 This book attempts to use the encouragement given in Revelation 13 18 where it is clearly implied that the identity of the Beast Antichrist is embedded in the number 666 which requires wisdom and understanding for its interpretation Hence the number 6 that stands as the common feature of the identity of the Beast is used as a base value in the mathematical calculation Following the results obtained whereby it was proved mathematically in the book that the Beast Antichrist will be A Cloned Human the authors now appear to have removed all doubts based on the previous conceptions people had of The 666 Theory interpreted as being represented by historical personages and dignitaries Lots of obstacles were experienced during the composition of this corpus Severally important written manuscripts disappeared and attempts were made by unknown forces to cancel or efface the drawings stored in the memory of the computer Prayers were often said over the lost manuscripts and some were recovered after These obstacles did prolong the publication of this work However the obstacles do prove the reality of the existence of the Devil and his hordes of evil angels who had tried everything possible to stop the research work The attention of world governments have been drawn in the book to the imminent dangers that would face our world if the Antichrist were allowed to surface from either the sea or land as suggested in the Book of Revelation The actual probable date of 2012AD for the birth of the Antichrist has been worked out mathematically as implied in the Revelation Text 13 18 The authors therefore warn all governments that the greatest world enemy is about to come through human cloning science The most needful war to be launched and fought must be the war against human cloning If this is not done the Antichrist must surface from a colony of human clones in a few years ahead If this war against human cloning is not launched now the world should get ready to face a very severe war of the Antichrist as from the year 2042 AD when the Antichrist would have grown into maturity as a world Dictator This book cautions that all hands must be on deck to fight the battles of this imminent war If you want to be a soldier in this crusade war this book is your armour and weapon I recommend this book to Governments Institutions Churches and families because it will likely serve as a deterrent to the menace the Devil is planning to usher into the world in the near future 666 The Number of the Beast Dabiri Timothy,2019-09-18 Then I saw a beast coming up out of the sea Rev13 1a Who is this beast What is the purpose of its coming What is its mystery number 666 all about What is the secret about its mark which it will force upon humanity These and many others are questions being asked about this expected alien the evil one who is coming to tempt the whole human race and thus bring as many as possible to destruction Ever since the creation of time there has been a battle going on the struggle over winning human race between God and devil God wants man for eternal joy but devil wants man for eternal destruction Devil deceived man to sin in the beginning and the sin brought condemnation to mankind God sent His only begotten Son to the world to destroy the work of sin and the punishment it brought and thus established the work of

salvation Devil was not pleased with the establishment of the work of salvation For this reason he is sending his own son and heir beast to the world with a clear purpose to destroy the work of salvation The beast is the expected alien the evil one who is coming to tempt the whole human race and thus bring as many as possible to destruction The scripture especially the book of Revelation prophesies about its coming leaving many questions in the minds of many This book provides practical solution and answers to many questions that might have developed in the minds of many people over the time The book depths into many hidden mysteries about the beast who the beast is the purpose of its coming its mystery number 666 its evil mark its work and the biblical revealed secret to overcoming its antics *The Book of Revelation For Dummies* Richard
