Revelations From A Forty Five Pound Purse:

Revelations from a 45-Pound Purse Cathy Guisewite,1993-08 Excerpts from comic strip Cathy Revelation Ned Ricks,2005-02 After a long hospital stay for wounds received U S Army Captain Davis arrives at his first command in Vietnam and receives the shocking news that his predecessor was murdered by soldiers of the troop and still at large Now he is surrounded by over a hundred armed men at least one of whom is a murderer Book Jacket *Confessions to My Mother* Cathy Guisewite,2013-02-05 For years Cathy and her mother have been working out their relationship on the comic pages in such an honest relatable humor filled way that thousands of mothers and daughters have written to say the comic strip is the single thing that has helped them keep speaking to each other over the years In *Confessions to My Mother* Cathy helps daughters speak to their mothers in an even more poignant way with page after page of everything from embarrassing truths The last time you came to visit I spent a whole day hiding things before you got here to belated admissions I m sorry for the 10 to 15 years I spent grunting at you to personal revelations The inside of my bathroom cabinet looks exactly as bad as the inside of your bathroom cabinet and heartfelt sentiments When I make your chicken soup it doesn t taste like your chicken soup The thing I am the most sure of in my life is that you love me Because of you I can t throw out a cardboard box According to creator Cathy Guisewite *Confessions to My Mother* is all the deep insightful meaningful things I want to say to Mom but never actually say because I m too busy acting like a five year old when I m with her **Of Revelation and Revolution, Volume 2** John L. Comaroff,Jean Comaroff,2009-02-15 In the second of a proposed three volume study John and Jean Comaroff continue their exploration of colonial evangelism and modernity in South Africa Moving beyond the opening moments of the encounter between the British Nonconformist missions and the Southern Tswana peoples *Of Revelation and Revolution Volume II* explores the complex transactions both epic and ordinary among the various dramatis personae along this colonial frontier The Comaroffs trace many of the major themes of twentieth century South African history back to these formative encounters The relationship between the British evangelists and the Southern Tswana engendered complex exchanges of goods signs and cultural markers that shaped not only African existence but also bourgeois modernity back home in England We see in this volume how the colonial attempt to civilize Africa set in motion a dialectical process that refashioned the everyday lives of all those drawn into its purview creating hybrid cultural forms and potent global forces which persist in the postcolonial age This fascinating study shows how the initiatives of the colonial missions collided with local traditions giving rise to new cultural practices new patterns of production and consumption new senses of style and beauty and new forms of class distinction and ethnicity As noted by reviewers of the first volume the Comaroffs have succeeded in providing a model for the study of colonial encounters By insisting on its dialectical nature they demonstrate that colonialism can no longer be seen as a one sided relationship between the conquering and the conquered It is rather a complex system of reciprocal determinations one whose legacy is very much with us today *Cathy Twentieth Anniversary*
