Yggdrasil Story: In an old castle Theeraphat, 2019-09-10 Six years war has ended by the strength of only one man Everyone calls him Swordmaster Unfortunately this is not the story of such time of glory bloodshed and Ruby Sola why don't you just tell them that this is the story of a man in a harem full of beautiful flower girls Almond Could you not disturb her This is the most important part of our story and it could decide the future of us all Ruby And I want to ask you why the novel cover doesn't have me on it Since I'm the main heroine and all Sola I am so fed up with pen tool uh better not talk about it So we used a photo of flowers instead and I think you are not the main heroine Pen tool Almond It's a budget cost too Those artists charge us over US 200 We are broke Plain and simple US 200 Ruby That's really expensive huh Sola Could you girls stop talking So I can continue with the synopsis Ruby I don't understand why this is so important Sola Ruby listen If we don't have a good synopsis people will not buy our book and then Iris Then what I want to know it too Sola Then there will be no book 2 2 Iris No book 2 so what Why should I care 2 Sola Our universe will collapse and we will disappear forever Iris What did you say Almond Well too late now You talked too much We have run out of writing space Ruby What NO I don't want to DIE You do something sis I should have done that human thing with our lord when I still had a chance Noooooooooo Iris Buy it now People Yes I mean you YES YOU BUUUUUUUUUYYYYYYYYYYY Iris is shouting as loud as if this is the last moment of her life but no one listens

Punishment and Sentencing Mirko Bagaric, 2025-02-03 First published in 2001 Punishment and Sentencing provides a way of introducing principle into sentencing This is done by bridging the gap between the philosophical justification for punishment and sentencing law and practice In terms of the interests it deals with sentencing is the most important area of law Ironically it is also arguably the least coherent Nearly three decades ago sentencing was described as a wasteland in the law Unfortunately little has changed in that time Sentencing decisions are often made in accordance with the idiosyncratic sentiments of sentencers rather than on the basis of binding rules and principles Part A of the book provides an overview of current sentencing law and practice Part B critically examines the main

contemporary theories of punishment Part C discusses the implications that this has for the sentencing process It is a useful text for students of criminology law and philosophy courses as well as a valuable resource for criminal law practitioners

Special Operations in the American Revolution Robert L. Tonsetic,2020-01-10 This Revolutionary War history analyzes the Continental Army's extensive use of guerilla tactics the beginning of modern Special Ops When the American Revolution began the colonial troops had little hope of matching His Majesty's British and German legions Indeed Washington's army suffered defeat after defeat in the first few years But the Americans had a trump card a reservoir of tough self-reliant frontier fighters willing to contest the King's men with unconventional tactics While the British could seize the coastlines the interior belonged to these brave men In this book author and former US Army colonel Robert Tonsetic analyzes a number of special operations conducted during the Revolutionary War While Gen Washington endeavored to confront the Empire on conventional terms he relied on small units to keep the enemy off balance The fledgling Continental Navy and Marines no match for the British navy in sea battles focused on disrupting British commercial shipping in the Atlantic and Caribbean When the British and their Native American allies began to wage war on American settlements west of the Appalachians Washington relied on militias to conduct raids and long range strikes Throughout the war what we today call SpecOps were an integral part of American strategy and many of the lessons learned and tactics used at the time are still studied by modern day Special Operations forces As this book establishes the improvisation inherent in the American spirit proved itself well during the Revolution continuing to stand as an example for our future martial endeavors **The Mammoth Book of Best**

New Horror Stephen Jones,Ramsey Campbell,2003 Canadian Books in Print. Author and Title Index ,1975 **World Atlas of Pirates** Angus Konstam,2009-10-01 By combining stunning cartography with engaging and authoritative text The World Atlas of Pirates presents the story of piracy in a completely new way Eighty maps plot the routes that pirates followed whether crossing the world's great oceans or pursuing their prey through creeks and bays Colorful archive illustrations including photographs and images from England's National Maritime Museum and other historic collections bring the villains their ships and their victims to life Lively accessible text by pirate expert Angus Konstam explains how piracy grew and flourished from the early buccaneers to the rogues of popular legends how it has been snuffed out and how it has reared its head again with the machine gun toting pirates operating on today's high seas **Sherlock Holmes** John V.

Hennessy,2017-11-10 *Arthur Conan Doyle's Art of Fiction* Nils Clausson,2019-01-22 This groundbreaking book rescues Arthur Conan Doyle from the sub-literary category of popular fiction and from the myth of Sherlock Holmes Instead of following new historicists and postcolonialists and asking what Conan Doyle's fiction reveals about its author and what it tells us about Victorian attitudes to crime class Empire and gender this provocative and convincingly argued literary study shifts the critical emphasis to the neglected art of the novels tales and stories It demonstrates through close reading that they can be read the same way as canonical literary fiction Unapologetically polemical and written in an accessible jargon-free style

this book will stimulate debate and provoke counterarguments but most importantly it will send readers both within and outside the academy back to the fiction with heightened understanding and renewed pleasure At a time when evaluation has virtually disappeared from literary studies this iconoclastic book returns it to the centre **Report of the ...
