Keep Watching the Skies! Bill Warren, 2017-01-12 Bill Warren's *Keep Watching the Skies* was originally published in two volumes in 1982 and 1986. It was then greatly expanded in what we called the 21st Century Edition with new entries on several films and revisions and expansions of the commentary on every film. In addition to a detailed plot synopsis, full cast and credit listings, and an overview of the critical reception of each film, Warren delivers richly informative assessments of the films and a wealth of insights and anecdotes about their making. The book contains 273 photographs, many rare, 35 in color, has seven useful appendices, and concludes with an enormous index. This book is also available in hardcover format. ISBN 978 0 7864 4230 0

Journey to the West Wu Cheng'en, 2008-09-15 China's most popular traditional novel. *Journey to the West* is the thrilling story of the Monkey King and his epic quest with his trusted companions to redeem himself. They face fantastic foes, demons, and monsters during their amazing adventures traveling to the Western paradise. No matter what obstacle was put before him, the clever, wily Monkey King always got what he wanted: unimaginable strength, eternal life, even his own position in the Celestial Realm with the gods. More than anything else, though, the Monkey King loved mischief and rule-breaking and was sure he was the most powerful creature in the world. But after defeat and punishment for his tricks, the Monkey King found himself wanting some things he never expected to be disciplined and good enough to help the monk Hsuan Zhang on his mission to bring Buddhist Scriptures and enlightenment to China. Readers of all ages will thrill to Timothy Richard's retelling of the Monkey King's exploits, whether in the Dragon King's underwater castle, the Halls of the Dead, or the palace of Buddha himself, and find themselves captivated as the Monkey King joins Hsuan Zhang and their companions, the Dragon Horse, the Monk Sand, and the equally mischievous Pig, on the dangerous trek West. Despite the tale's ancient origins, *Journey to the West* proves as fresh and engaging an adventure as anything written today.
