settled into a siege in the desolate Lava Beds and climaxed the decades long effort to dispossess and destroy the Modocs The war did not end with the last shot fired however For the first and only time in U S history Native fighters were tried and hanged for war crimes The surviving Modocs were packed into cattle cars and shipped from Fort Klamath to the corrupt disease ridden Quapaw reservation in Oklahoma where they found peace even more lethal than war The Modoc War tells the forgotten story of a violent and bloody Gilded Age campaign at a time when the federal government boasted officially of a peace policy toward Indigenous nations This compelling history illuminates a dark corner in our country s past *Timber Terror* Jon Sharpe,1999
