Luxury Marketing Klaus-Peter Wiedmann, Nadine Hennigs, 2012-11-10 The luxury market has transformed from its traditional conspicuous consumption model to a new experiential luxury sensibility that is marked by a change in how consumers define luxury In a global context it is crucial to understand why consumers buy luxury what they believe luxury is and how their perception of luxury value impacts their buying behavior This handbook aims to provide a holistic approach to luxury marketing with respect to the characteristics and the key challenges and opportunities of luxury brand management Therefore the multifaceted contributions by authors from different parts of the world will offer both a research and management perspective of luxury marketing and deliver a concentrated body of knowledge with contributions from diverse elements

The Handbook of Attitudes, Volume 1: Basic Principles Dolores Albarracín, Blair T. Johnson, 2018-10-10 Attitudes are evaluations of people places things and ideas They help us to navigate through a complex world They provide guidance for decisions about which products to buy how to travel to work or where to go on vacation They color our perceptions of others Carefully crafted interventions can change attitudes and behavior Yet attitudes beliefs and behavior are often formed and changed in casual social exchanges The mere perception that other people favor something say rich people may be sufficient to make another person favor it People's own actions also influence their attitudes such that they adjust to be more supportive of the actions People's belief systems even change to align with and support their preferences which at its extreme is a form of denial for which people lack awareness These two volumes provide authoritative critical surveys of theory and research about attitudes beliefs persuasion and behavior from key authors in these areas The first volume covers theoretical notions about attitudes the beliefs and behaviors to which they are linked and the degree to which they are held outside of awareness It also discusses motivational and cultural determinants of attitudes influences of attitudes on behavior and communication and persuasion The second volume covers applications to measurement behavior prediction and interventions in the areas of cancer HIV substance use diet and exercise as well as in politics intergroup relations aggression migrations advertising accounting education and the environment

Review of Personality and Social Psychology Ladd Wheeler, 1980-09-01 The first volume of the Review of Personality and Social Psychology focusses on the frontiers of theory and method in personality and social psychology The international contributors summarize and integrate established areas and explore those emerging topics which have a sufficient base of theoretical and empirical work Compared with reviews of more traditional topics the present contributions are not so heavily weighted with research findings which makes for a more

fluent style and greater scope for speculative comment *Personality Individual Differences* Vol 4 1983
